## **Bookstagram Picks Usa Open Now:**

*Instamom* Chantel Guertin, 2021-06-29 Fans of Lauren Weisberger and Emily Henry won't want to miss this funny sexy and emotional novel that looks at modern relationships, modern choices, and redefining not to mention rebranding your dreams through the eyes of an Instagram influencer. Themes of personal choice and female empowerment underscore this tender rom com from Guertin. A cast of wonderful supporting characters led by spunky Addie add authenticity and tug at the heartstrings. Readers will be charmed. Publishers Weekly, A PopSugar Beach Reads Selection, A BookBub Best Book of June. In this funny, wise, emotionally compelling look at modern love and finding your true path, a proudly kid-free influencer meets the ultimate dealbreaker. It's the influencer's golden rule: know your niche. Kit Kidding has found hers on Instagram where she gets paid to promote brands and share expertly curated posts about her fun, fabulous, child-free life. Kit likes kids just fine, but she passionately believes that women who choose not to become mothers shouldn't have to face guilt or judgement. Or really hot chefs who turn out to be single dads. Will MacGregor is aggravating, sexy, persistent, averse to social media, and definitely a bad idea. As soon as Kit learns his parenting status, she vows to put their scorching one-night stand behind her and move on. But Will and Kit are thrown together on an Instagram campaign, and the more time she spends with him and his whip-smart, eight-year-old daughter Addie, the more difficult it is to stay away. Much less sustain what Will so cleverly calls her Resting Beach Face. Kit's picture-perfect career path is suddenly clashing with the possibility of a different future: messy, complicated, and real. Which life does she truly want? Will she have to re-invent herself? And will love still be waiting by the time she figures it out.

**Begin Again** Emma Lord, 2023-01-24 Most Anticipated by Goodreads, Popsugar, Cosmopolitan, BookRiot, E News, and More. An Indie Next Pick. Filled with a friend group that feels like family, an empowering journey of finding your own way, and a Just Kiss Already romance, Emma Lord's *Begin Again* is an unforgettable YA novel of love and starting again. As usual, Andie Rose has a plan: transfer from community college to the hyper-competitive Blue Ridge State, major in psychology, and maintain her lifelong goal of becoming an iconic self-help figure, despite the nerves that have recently thrown her for a loop. All it will take is ruthless organization, hard work, and her trademark unrelenting enthusiasm to pull it all together. But the moment Andie arrives, the rest of her plans go off the rails. Her rocky relationship with her boyfriend Connor only gets more complicated when she discovers he transferred out of Blue Ridge to her community college. Her roommate Shay needs a major, and despite Andie's impressive track record of being *The Fixer*, she's stumped on how to help. And Milo, her coffee-guzzling grump of an RA with seafoam green eyes, is somehow disrupting all her ideas about love and relationships. One sleep-deprived wisecrack at a time. But sometimes when all your plans are in rubble at your feet, you find out what you're made of. And when Andie starts to find the power of her voice as the anonymous Squire on the school's legendary pirate radio station, the same one her mom founded years before she passed away, Andie learns that not all the best-laid plans are necessarily the right ones. A gratifying romance. Publishers Weekly.
