ChatGPT

Anna just texted me: "Hey! Want to go to this concert with me?"  
How do I decline nicely?

You could respond with something like:

---

Hey Anna! Thanks so much for thinking of me. Unfortunately, I have other plans that day, so I won't be able to make it. Hope you have a great time at the concert!

---

This way, you're showing appreciation and politely declining without going into too much detail.
