Hearts On Fire:

Hearts on Fire Fred A. Hartley III,2021-02-01 Heart fire is the invigorating feeling that ignites inside you when you encounter the reality the reality of the living God and the reality of who you are meant to be But fire is more than a feeling much more When the fire inside God touches something inside you the effect is spontaneous combustion God actually made your heart to be a flame holder of his presence The flow of fire into your heart is just as important as the flow of blood into your heart You can t live without blood and in reality you can t live without fire not really live Here s the good news it is not your job to set your heart on fire Fire is what God does not what you do Hearts on Fire is altering the course of history God wants to set your heart on fire and to make you a history shaper No one else can take your place You have a unique mission to fulfill May God spark revival fire in your heart today Hearts on Fire is not a book about revival it s a book of revival

Hearts on Fire Anita Grimsbo,2010-09 Do you hunger for reality Are you fed up with religion with church with liars with fake and pretenders Are you yourself fake or a real person Do you believe in a God that is real or not Who is Jesus for you a nice teaching or a good man only I tell you one thing If God is not real forget about Him If Jesus is just a nice teaching drop it If you find any comfort in your religion also the christian one I warn you about reading my book it could damage your religion forever BUT if you are a brave person that desire to rethink your life and your faith And if you hunger for knowing the one who created you then I wrote this book for YOU
