book now **A Chinese Character a Day Practice Pad Volume 1** Philip Yungkin Lee,2004-06-15 This calendar like practice pad allows you to effectively practice Chinese characters and learn a year's worth of characters in just minutes a day. Although more people are studying the Chinese language than ever before others are still wary of starting because they believe it's too difficult. But **A Chinese Character a Day Volume 1** will show beginner students that learning Mandarin Chinese characters is highly manageable when absorbed in small doses. It will help intermediate and advanced Chinese learners review and improve upon their past studies and practice written Chinese every day. Chinese characters (hanzi) are fascinating pictographic symbols that each have a specific meaning. After a few weeks of gradual progress your ability to read Chinese, write Chinese and pronounce Chinese will grow tremendously. This calendar like desk companion starts with the most basic Chinese characters and builds upon itself one day at a time. For easy reference and review a booklet listing the 365 Chinese characters is included. Each of the 365 pages contain these six components: The featured Chinese character, The English meaning, The pronunciation written in romanized Chinese (hanyu pinyin), Related compounds with their meanings and pronunciations, Stroke order diagrams, 28 practice squares. To get started with **A Chinese Character a Day** turn to Day One and begin by studying the character, its readings, meanings and sample compounds. Then tear off the sheet and using the stroke order guide practice writing the character in the spaces provided. In a matter of days you'll be on your way to reading and writing Chinese with ease.

**Chinese Characters Made Easy** Michael L. Kluemper, Kityee Yam Nadeau,2015-12-15 This highly visual book introduces an effective new method for learning Chinese characters using visual stimuli and pictographs. Learning the basic characters used to write even simple Chinese sentences can be a long and arduous process. **Chinese Characters Made Easy** makes the learning process fun and easy by presenting the 1,000 most common characters using a new mnemonic approach that associates each character with a memorable visual and verbal clue making memorization easy. The character for person for example is superimposed over a sketch of a man representing a person standing on two legs drawing the reader's attention to the distinctive shape of the character and associating the sketch with the character's meaning. The Chinese characters are presented in groups or clusters all sharing common elements and meanings for context and ease of identification. These groups of characters all share common root symbols known as radicals or relate to a particular theme or topic such as colors, numbers, animals or body parts. Pronunciations, meanings and vocabulary compounds are provided for each character in the group. A free audio CD provides native speaker pronunciations for all the characters and their associated vocabulary. A short introduction explains the history and structure of the Chinese writing system. This Chinese character book's visual approach is a powerful learning tool. It can be used by serious students and is entertaining and useful to general readers who are curious about how the Chinese writing system works and how it developed.

**250 Essential Chinese Characters Volume 1** Philip Yungkin Lee, Darell Tibbles,2013-02-26 This is an invaluable study guide for learning basic Chinese characters. **250 Essential Chinese Characters Volume 1** is a completely

revised second edition with 50 percent new material Featuring a new design tips for mastery throughout exercises in AP exam format progressive review sections and several indices this volume is a crucial learning tool for anyone interested in the Chinese language and a great way to learn Chinese characters Master each character's radical stroke count and meaning Grow in proficiency by learning compound words Example sentences show how to use them in context Review activities reinforce your learning progress Helpful writing guides and practice grids for every character After studying this book together with its companion 250 Essential Chinese Characters Volume 2 you'll have learned 500 of the most important characters in Chinese and thousands of words in which they appear Whether you're new to Chinese or coming back for review each of these 250 characters offers you ways to improve your abilities to read Chinese and write Chinese

*Analysis of Chinese Characters* George Durand Wilder, James Henry Ingram, 1921
