drawn from regulatory agencies such as the Internal Revenue Service Financial Accounting Standards Board Congress and other legal bodies Others come from various segments of the corporate community including finance banking estate planning organizational management marketing public relations and sales In many cases these terms have been altered to fit the unique requirements and goals of charitable fund raising Until now no reference source provided fund raising professionals with access to widely accepted consistent meanings of key terms and concepts common to the philanthropic setting The NSFRE Fund Raising Dictionary does just that The only complete reference of its kind The NSFRE Fund Raising Dictionary offers instant access to nearly 1 400 essential fund raising and not for profit terms It is fully cross referenced and includes terms used by fund raising professionals throughout the English speaking world The definitive culmination of a project that began twenty five years ago by members staff and consultants from the National Society of Fund Raising Executives and other professional associations this concise comprehensive guide reflects the latest trends in this rapidly expanding field It is the only dictionary that provides definitions exclusively from the fund raising perspective The NSFRE Fund Raising Dictionary is an indispensable tool for all fund raising and not for profit professionals It provides fund raisers not for profit executives board members and consultants from diverse backgrounds with a standardized shared vocabulary The only comprehensive professional reference guide that presents definitions exclusively from the fund raising perspective The NSFRE Fund Raising Dictionary has evolved and been refined over the past twenty five years by experts from the National Society of Fund Raising Executives An indispensable tool for fund raising professionals it provides quick access to complete in depth definitions of such key terms as centralized fund raising donative intent gift tax exclusion growth endowment multiple ask sleeper solicitor temporarily restricted gift and hundreds of others The NSFRE Fund Raising Dictionary Defines nearly 1 400 fund raising terms and concepts Provides complete cross referencing for all entries Covers terms used by fund raising professionals throughout the English speaking world Includes terms from accounting and finance marketing and public relations banking law tax and estate planning and more Thoroughly reviewed by colleagues in related organizations including the American Association of Fund Raising Counsel AAFRC Association for Healthcare Philanthropy AHP Council for Advancement and Support of Education CASE National Catholic Development Conference NCDC and the National Committee on Planned Giving NCPG A primary reason for developing The NSFRE Fund Raising Dictionary is to demystify fund raising so that donors feel great trust and the public better understands the process An additional reason is to begin to identify a set of terms this very diversified field can use commonly From the Foreword by Patricia F Lewis President and CEO National Society of Fund Raising Executives University Record University of Chicago,1905
