

# Fancy a Game of Football?

In different parts of the world the word *football* is used to describe some very different games. The only things they have in common is that they are all team games, they are played with a ball and they are related to games played in medieval times.

Most people think that *football* got its name from the fact that the players kick the ball, but that's not true. Different medieval games became known as *football* because the peasants played on foot and not on horseback as the noblemen did.

The game the British know as *football* is officially called *Association Football*. People in Australia and the USA call it *soccer*. In this game, players can only use their feet, except for the goalkeeper who can use his hands, too.
