Tuten,2020-11-18 Winner of the TAA 2017 Textbook Excellence Award

Social Media Marketing deserves special kudos for its courage in tackling the new frontier of social media marketing. This textbook challenges its readers to grapple with the daunting task of understanding rapidly evolving social media and its users. TAA Judges Panel. The market leading and award winning text on social media marketing has been fully updated for this fourth edition. With a balance of essential theory and practical application, the text has been thoroughly revised to reflect the latest developments in social media marketing research and practice. 11 new case studies have been added to the Case Zone, including TikTok, LEGO, Nespresso, and Puma. A student engaging case study now runs throughout the entire textbook, looking at the US based company Kombucha 221 BC to help develop understanding of each chapter. The book is complemented by a companion website that offers valuable additional resources for both instructors and students, including author videos discussing key social media marketing ideas and concepts, author selected YouTube video playlists, additional case studies, further weblinks, PowerPoint slides, and Testbank A. A must have text for those studying social media marketing.

*Digital Human Finance* Anette Broløs, Erin B. Taylor, Jillett S. Sam, Shriram Venkatraman, 2026-01-14. This timely book provides a comprehensive analysis of digital financial services across diverse socio-economic landscapes, moving beyond technology-focused perspectives to examine the complex social and cultural dimensions of financial innovation. Chapters explore how digital financial tools, from mobile banking to AI-based FinTech innovations, function as both economic instruments and catalysts for sociocultural change.

Disruptive Fintech James Deitch, 2019-12-16. Throughout history, innovators have disrupted existing financial services norms to change the landscape of the marketplace. *Disruptive Fintech* briefly traces fractional reserves, the creation of bank currency that traded at a premium to bullion value, central bank regulation, securitization of assets and loans, the current state of digital currency and electronic payments. The author then looks toward the future of fintech and the forces of disruption that will change the landscape of financial life as we know it. Using over 100 interviews with thought-leading CEOs, this book develops a methodology to identify financial services that are ripe for innovation and discusses how innovative thinking can be used as a disruptive weapon to attack incumbents and create effective new fintech models. The book discusses how to relate historical innovations and disruptions in financial services to the current landscape, how to follow a process to identify the threats facing incumbent processes and businesses, and how innovative thinking can be used as a disruptive weapon to attack incumbents and create effective new fintech models. How many fintech innovations will be constructed by re-arranging or re-purposing existing core processes? In this insightful book, author James Deitch, CPA, CMB, argues that some of today's high-flying fintech innovators will flourish, but many may perish as the fire of innovation consumes those fintechs that are slow to monetize their promises.

*Systemic Islamophobia in Canada* Anver M. Emon, 2023-04-28. *Systemic Islamophobia in Canada* presents critical perspectives on systemic Islamophobia in Canadian politics, law, and society, and maps areas for future research and inquiry. The authors consist of both scholars and professionals who encounter in the ordinary course of their work the sometimes banal

sometimes surprising operation of systemic Islamophobia Centring the lived realities of Muslims primarily in Canada but internationally as well the contributors identify the limits of democratic accountability in the operation of our shared institutions of government Intended as a guide the volume identifies important points of consideration that have systemic implications for whether how and under what conditions Islamophobia is enabled and perpetuated and in some cases even rendered respectable policy or bureaucratic practice in Canada Ultimately Systemic Islamophobia in Canada identifies a range of systemically Islamophobic sites in Canada to guide citizens and policymakers in fulfilling the promise of an inclusive democratic Canada
