Communication and Sport Michael L. Butterworth, 2021-07-19 Sport is a universal feature of global popular culture It shapes our identities affects our relationships and defines our communities It also influences our consumption habits represents our cultures and dramatizes our politics In other words sport is among the most prominent vehicles for communication available in daily life Nevertheless only recently has it begun to receive robust attention in the discipline of communication studies The handbook of Communication and Sport attends to the recent and rapid growth of scholarship in communication and media studies that features sport as a central site of inquiry The book attempts to capture a full range of methods theories and topics that have come to define the subfield of communication and sport or sports communication It does so by emphasizing four primary features First it foregrounds communication as central to the study of sport This emphasis helps to distinguish the book from collections in related disciplines such as sociology and also points readers beyond media as the primary or only context for understanding the relationship between communication and sport Thus in addition to studies of media effects mediatization media framing and more readers will also engage with studies in interpersonal intercultural organizational and rhetorical communication Second the handbook presents an array of methods theories and topics in the effort to chart a comprehensive landscape of communication and sport scholarship Thus readers will benefit from empirical interpretive and critical work and they will also see studies drawing on varied texts and sites of inquiry Third the handbook of Communication and Sport includes a broad range of scholars from around the world It is therefore neither European nor North American in its primary focus In addition the book includes contributors from commonly under represented regions in Asia Africa and South America Fourth the handbook aims to account for both historical trajectories and contemporary areas of interest In this way it covers the central topics debates and perspectives from the past and also suggests continued and emerging pathways for the future Collectively the handbook of Communication and Sport aspires to provide scholars and students in communication and media studies with the most comprehensive assessment of the field available

Socialnomics Erik Qualman, 2009-08-11 A fascinating research based look at the impact of social media on businesses and consumers around the world and what s in store for the future Social Media You ve heard the term even if you don t use the tools But just how big has social media become Social media has officially surpassed pornography as the top activity on the Internet People would rather give up their e mail than their social network It is so powerful that it is causing a macro shift in the way we live and conduct business Socialnomics charts this shift from the forefront Brands can now be strengthened or destroyed by the use of social media Online networking sites are being used as giant free focus groups Advertising is less effective at influencing consumers than the opinions of their peers If you aren t using social media in your business strategy you are already behind your competition Explores how the concept of Socialnomics is changing the way businesses produce market and sell eliminating inefficient marketing and middlemen and

making products easier and cheaper for consumers to obtain Learn how successful businesses are connecting with consumers like never before via Twitter Facebook YouTube and other social media sites A must read for anyone wanting to learn about and harness the power of social media rather than be squashed by it Author Erik Qualman is a former online marketer for several Top 100 brands and the current Global Vice President of Online Marketing for the world s largest private education firm Socialnomics is an essential book for anyone who wants to understand the implications of social media and how businesses can tap the power of social media to increase their sales cut their marketing costs and reach consumers directly
