EASYUNI Ultimate University Guide 2013 easyuni sdn bhd,2013-12-26 With this Guide we've stayed committed to our vision of improving the way students and parents choose universities and courses. We have been doing this right from the beginning through our website www.easyuni.com. With a magazine like this we have broadened the horizons of our exposure to more readers, be they students or parents who still find accessing online information somewhat challenging. For us, higher education should be accessible to all. Through this Guide we are able to disseminate information on the choices available to all our readers on everything they need to know in selecting a university of their choice to further enhance their education. Similar to our online portal, easyuni Ultimate University Guide 2013 Issue 2 has a lot to share. Flip through the pages and you will be impressed by the amount of details that we have gathered for you in just one issue: tips, advice, interview with star students, and more. What's more, we plan to publish this Guide on a quarterly basis and can't wait to give you more.

Social Media the Sum of Everything Equals Zero Alastair R Agutter,2017-10-22 Description of Book Having been involved with the World Wide Web since its commercial beginning back in the mid 1990s as a Computer Scientist and Developer, I like to think I can offer some clear water regarding such a phenomena we know as Social Media and where even in a Virtual World the real physical presence of Sir Isaac Newton's Natural Law is evident and using both Quantum Mechanics and Natural Branching even in an Artificial Intelligence environment as written about in my book titled Creating the New Internet Super Highway. So this new realm is not for the complacent. As further evidence of this power today has been with the Weaponization of Social Media. Some of the Author's Professional Acknowledgements: Acknowledged in 1999 by the Hudson Institute for Contributing and Advancing the Computer Sciences Internationally for Humanity; Acknowledged in 2008 by the American Autobiographical Society for the advancement of Computer Sciences for Humanity; Noted in Phillips Who's Who Directory 2001. Contents: Inside this Book: Introduction, Social Media Roots, The Phenomena, Branding and Image Marketing, Making Money, Legal Aspects, Human Health, Cyber Bullying, Twitter, Facebook, Google Plus, YouTube, Linked in, Weaponization of Social Media, The others, Conclusions, Useful Links.

The Streaming Media Guide Michael D'Oliveiro,2019-06-03 Streaming media has irreversibly revolutionised the ways in which media is transmitted and consumed. Most of us engage with streaming media on a daily basis via platforms that deliver our entertainment. Spotify, YouTube, and Netflix are new brands which many of us engage with daily for our information and entertainment. It has created upheaval in the entire value chain and wiped out industries slow to adapt to it like the video store rental chain. And it continues to evolve. Streaming media is transforming business communications in myriad ways and it is becoming almost as crucial for project managers and marketers to understand streaming technology as it is for media professionals. The Streaming Media Guide demystifies the technology and features behind a successful streaming media service, especially in the context of how it is used by broadcasters and other media organisations. Common terms and systems being used in this space are presented and defined.

simply and clearly for non technical readers Best practice examples from Michael D Oliveiro s experiences demonstrate how this technology can be successfully implemented This book equips any media professional with the most basic of traditional media knowledge to enable confident conversations in the typical media organisation they work in For technology based graduates or dedicated broadcast professional seeking to refresh their understanding this book provides enough information to form a solid foundation for day to day work Finally for leaders in cross functional senior management matrices information is provided to enable you to understand and exploit streaming media capabilities as a business This will be the ultimate reference source guaranteed to be bedside reading for anyone serious about using streaming media

Journey to The East: A Hitchhiker's Guide to the Middle Kingdom Tom Lightner,2018-06-05 Journey to the East is the story of a western traveler with a very limited Chinese vocabulary traveling in China The author took small trips to large and mid sized cities trying to learn enough about communications and culture to be able to travel freely in China After tiring of organized tours he adapted to trains buses taxis and black cars which allowed him to see culture and sights beyond the reach of most western tourists He found that adding hitchhiking to the mix of transportation modes allowed broader access to remote sites The author tested his cultural and hitchhiking lessons learned in small trips by traveling cross country He followed the same route that former NPR correspondent Rob Gifford traveled in China Road but from west to east from Kazakhstan to China s east coast at Shanghai The book reports on the travels and how the lessons learned succeeded or failed
