Tenacious and True Scott Pleasant,2026-03-31 An improbable dream fulfilled in one unforgettable season In 2016 a Conway South Carolina mid major baseball team that had once played on borrowed fields and traveled in hand me down vans shocked the college baseball world Veteran head coach Gary Gilmore who had spent two decades building the program into a national power led the Coastal Carolina Chanticleers to capture their first College World Series title in dramatic fashion At the heart of that victory were players like G K Young a Conway native and lightly recruited power hitter whose towering home run in the deciding game ensured victory and completed Coastal Carolina's improbable run to the top Alongside teammates like shortstop Michael Paez and ace pitcher Andrew Beckwith Young embodied the grit and determination that defined Gilmore's program In *Tenacious and True* gifted storyteller Scott Pleasant recounts that unforgettable season capturing the voices of the players coaches and devoted fans who made it happen He brings readers into the dugout with a tale of persistence pride and what it means to belong to a team and a town *Politics and Sports in America* Thomas R. Morris,Daniel J. Palazzolo,2026-04-21 *Politics and Sports in America* offers a fresh perspective on the dynamic relationship between athletics and political life in the United States While recent scholarship has focused on the rise of athlete activism few political scientists have examined sports through a distinctly American lens Most existing studies emphasize international contexts Thomas R Morris and Daniel J Palazzolo address this gap by examining the intersections of sports and politics across multiple dimensions citizenship and civic identity the balance between national and local forces the role of elite athletes in advancing democratic principles such as equality and liberty the tension between individualism and collective action and the striking parallels between rival sports teams and polarized political parties They also explore how politicians intentionally engage with sports through policy decisions and symbolic gestures Taken together these perspectives reveal how the relationship between sports and politics enriches our understanding of the American republic

and its democratic traditions Designed for scholars and instructors this book provides a political science framework for analyzing sports as a source of civic and institutional development It also serves as a resource for teaching American government offering innovative ways to connect political institutions processes and debates to the world of athletics Beyond academia the work speaks to sports fans who follow politics and citizens who follow sports inviting both groups to see how these spheres illuminate one another

years of planning culture and belief Inside the dugout veteran leaders like Freddie Freeman and Mookie Betts set the tone Beyond the diamond the front office under Andrew Friedman and manager Dave Roberts orchestrated a system that made greatness feel inevitable This book captures every layer of that journey the sweep through the National League the nerve shaking duels of October and the citywide roar that followed when Los Angeles claimed its second straight championship The chapters unfold like innings in a timeless game revealing the strategies sacrifices and small moments that turned ambition into history With creative depth and factual clarity it tells how a franchise already rich in tradition reached another summit and showed that legacy is built not by one season but by what comes after Back to Back and Bound for History is the full story of a team that turned excellence into expectation and left the city of Los Angeles forever painted in Dodger blue *The Baseball Encyclopedia*, 1976 **The Seventh Game** Kevin Jones, 2025-11-17 The Seventh Game Triumph Heartbreak and History in the 2025 World Series is a spellbinding chronicle of one of the most unforgettable nights in modern sports a night when belief conquered doubt when nations united in hope and when baseball once again revealed the poetry hidden within its rhythm In this masterfully written account Kevin takes readers inside the heart of the 2025 World Series a battle between the powerhouse Los Angeles Dodgers and the reborn Toronto Blue Jays culminating in a legendary Game Seven that captured the imagination of millions across the globe Through vivid storytelling Reed goes beyond the box scores and play by plays to reveal the human stories that defined the series stories of perseverance heartbreak redemption and unity From Shohei Ohtani s quiet grace and leadership to Vladimir Guerrero Jr s defining swing that sent a nation into euphoria every moment is rendered with cinematic detail Reed paints the stadium lights the tension on the mound the roar of the crowd and the silence that followed the final out transforming statistics into emotion and history into art But The Seventh Game is about more than baseball It s about what happens when sport transcends competition when it becomes a mirror for who we are and what we long to be It s about how a team from Canada reignited national pride how a defeat in Los Angeles revealed the nobility of loss and how the spirit of the game continues to remind the world that hope once shared becomes unbreakable Blending narrative journalism emotional reflection and historical insight Kevin captures the deeper meaning of that autumn night not merely as a World Series victory but as a cultural moment that redefined belief itself Whether you are a lifelong baseball fan or someone who simply cherishes stories of human resilience The Seventh Game invites you to relive the night when time seemed to stop and every heart in two nations beat as one **Holstein-Friesian World**, 1929 **Official 1984 Price Guide to Baseball** House of Collectibles, Collectibles Hse, 1983-06 **Obsessed With...Baseball** The Baseball Guys, 2007-10-04 Includes multiple choice questions about baseball Embedded in the book is a special computerized quiz module that lets you compete against yourself or a friend **Books in Series**, 1985 Vols for 1980 issued in three parts Series Authors and Titles **Baseball**, 1986 This is the most comprehensive bibliography of baseball literature available updating and expanding Anton Grobani s Guide to the Literature of Baseball 1975 The 21 000 citations are arranged by
