He now focuses on empowering independent authors to publish and sell their own PDF eBooks keeping 100% of their profits and complete control of their work *How to Make Positive Imaging Work for You* Norman Vincent Peale,1982\* The concept is a form of mental activity called imaging It consists of picturing vividly in your conscious mind a desired goal or objective and holding that image until it sinks into your unconscious mind where it releases great untapped energies It works best when it is combined with strong religious faith backed by prayer and the seemingly illogical technique of giving thanks for benefits before they are received When the imaging concept is applied steadily and systematically it solves problems strengthens personalities improves health and greatly enhances the chances for success in any kind of endeavor Looking Within Anthony B. Wolbarst,1999-11-16 Looking Within describes a family of magical machines that allow doctors to see within the living body without having to slice it open The book presents a vitally important branch of medicine that combines cutting edge technologies with clinical applications that can spell the difference between life and death for patients

Riches Are Your Right Joseph Murphy Ph.D. D.D.,2019-05-09 This is a book full of powerful affirmations for health wealth relationships and self expression The idea behind these techniques is pretty simple Most of us grow up learning to put ourselves down for any real or imagined errors We grow up believing certain things about ourselves or comparing ourselves negatively to others The use of positive affirmations is a technique to change that negative self talk into something more positive Since we ve spent many years on the negative image it s unreasonable to expect an instant effect from affirmations but if we stick to it for a few days with honesty trust and belief then results will start to happen *The Body Image Book for Girls* Charlotte Markey,2020-09-10 It is worrying to think that most girls feel dissatisfied with their bodies and that this can lead to serious problems including depression and eating disorders Can some of those body image worries be eased Body image expert and psychology professor Dr Charlotte Markey helps girls aged 9 15 to understand accept and appreciate their bodies She provides all the facts on puberty mental health self care why diets are bad news dealing with social media and everything in between Girls will find answers to questions they always wanted to ask the truth behind many body image myths and real life stories from girls who share their own experiences Through this easy to read and beautifully illustrated guide Dr Markey teaches girls how to nurture both mental and physical health to improve their own body image shows the positive impact they can have on others and enables them to go out into the world feeling fearless
