Exalting Jesus in Mark Dr. Daniel L. Akin, 2014-06-01 This series affirms that the Bible is a Christ centered

book containing a unified story of redemptive history of which Jesus is the hero. It is presented as sermons divided into chapters that conclude with a Reflect/Discuss section making this series ideal for small group study, personal devotion, and even sermon preparation. It is not academic but rather presents an easy reading, practical, and friendly commentary. The series is projected to be 48 volumes. **Medium**, 2002. *School Library Journal*, 2002. *The New Fire* Ben Buchanan, Andrew Imbrie, 2024-03-05. AI is revolutionizing the world. Here's how democracies can come out on top. Artificial intelligence is revolutionizing the modern world. It is ubiquitous in our homes and offices in the present and most certainly in the future. Today we encounter AI as our distant ancestors once encountered fire. If we manage AI well, it will become a force for good, lighting the way to many transformative inventions. If we deploy it thoughtlessly, it will advance beyond our control. If we wield it for destruction, it will fan the flames of a new kind of war, one that holds democracy in the balance. As AI policy experts Ben Buchanan and Andrew Imbrie show in *The New Fire*, few choices are more urgent or more fascinating than how we harness this technology and for what purpose. The new fire has three sparks: data, algorithms, and computing power. These components fuel viral disinformation campaigns, new hacking tools, and military weapons that once seemed like science fiction. To autocrats, AI offers the prospect of centralized control at home and asymmetric advantages in combat. It is easy to assume that democracies, bound by ethical constraints and disjointed in their approach, will be unable to keep up. But such a dystopia is hardly preordained. Combining an incisive understanding of technology with shrewd geopolitical analysis, Buchanan and Imbrie show how AI can work for democracy. With the right approach, technology need not favor tyranny. **A Step from Heaven** Novel Units Student Packet Novel Units, 2019-07-15. A National Book Award Nominee.
