1) General Information and More: Does this Game have NTR?

- Cheat codes, Assorted links and tidbits.
- Cheat code for 30c is pumpkinsplice
- Cheat code for 31a is carrymaria
- Cheat code for 32b is barelybear Android APK for 32b is here.
- Cheat code for 33b is gooptruckin (download links + update log) aka The Lobby Update (Mostly fixing temp art)
- Cheat code for 34a is stickmentos aka The Outside Update (Fixing some temp background art, 5 Lashley scenes)

- List of (most?) h-scenes in the game: <https://trello.com/c/K8N12gDX/343-h-scenes-to-convert>

- I recommend using the cheat code even for the first play-through but only to skip some of the grind. The skill advancement/money making mechanics work well to space out the different scenes in a more natural way and let you pass the time. However, they don't add anything to the game by themselves, so feel free to give yourself whatever money/stats you need.

- Scenes are typically added without complete art first, which is then added over the next few updates. Seeing incomplete assets means a route is nearly over. Also, sex scenes are often added before the story reaches that far and can just be triggered whenever you want.

- How Much Content Is There? What kind of content?
- Three character routes feel complete. (Mom, Sis, Teacher)
- The MomxSis route seems complete but still has some placeholder art and is very, very broken. (See section 5)
- The Principal Lashley route is ~37% complete according to Geeseki (v0.28 changelog). However, several implemented scenes still have temporary art and there are zero sex scenes integrated into her story. (You can trigger "floating" sex scenes already, but they are without context.)
- The sex world is mostly a background force/nemesis for the plot so far. Don't
