I. Topic or Problem

What are you interested in? What problem do you see in your school or classroom? What do you want to investigate? Your topic should not describe what you wish to find; rather, it should simply indicate an area of interest to you. My topic is _____.

II. Question

Put your topic in the form of one to three questions. The question or questions are used to help guide your search for data or articles. My question/s is/are:

III. Methodology

Briefly describe your initial plan for collecting data. For a qualitative study you should use at least two sources. This should be considered a flexible plan at this point.
