## Challenge

- Position Philips at the centre of thought-leadership in the healthcare, lighting and well-being industries, driving innovation, collaboration and future development
- Build credibility and drive discussion and awareness among Philips' key audiences for its two main B2B offerings, Healthcare & Lighting

## Solution

- Create an active online global community for professionals within the fields of health and lighting
- Facilitate highly-clinical discussions among key opinion leaders
- Encourage members to spark discussion around topics important to them and develop and nurture professional relationships

## Why LinkedIn?

- Access to a global professional audience
- Environment of trust
- Targeted reach for healthcare and lighting professionals

## Results

- Established globally active 30,000+ member communities, each far outperforming targets set (Innovations in Light: 27,200+, Innovations in Health: 38,000+), representing 121 countries and a wide range of specialist fields
- Over 4,400 discussions makes Innovations in Health the largest LinkedIn group dedicated to healthcare innovation
- 60% of group members are manager level and above
- The groups generate Net Promoter score of over 50 (extremely high value)
