**Parenting in the Zombie Apocalypse** Steven J. Kirsh,2019-06-04 Parenting is difficult under the best of circumstances but extremely daunting when humanity faces cataclysmic annihilation When the dead rise hardship violence and the ever present threat of flesh eating zombies will adversely affect parents and children alike Depending on their age children will have little chance of surviving a single encounter with the undead let alone the unending peril of the Zombie Apocalypse The key to their survival and thus the survival of the species will be the caregiving they receive Drawing on psychological theory and real world research on developmental status grief trauma mental illness and child rearing in stressful environments this book critically examines factors influencing parenting and the likely outcomes of different caregiving techniques in the hypothetical landscape of the living dead

**Equipping the interdisciplinary workforce to treat Substance Use Disorders and Behavioral Health** Angela L. Colistra,2025-07-26 The U S faces a critical crisis in behavioral health and addiction care Overburdened emergency rooms and primary care offices struggle with lengthy wait times while workforce shortages and systemic barriers disproportionately impact marginalized communities This has resulted in the criminal justice system becoming a de facto provider of mental health and addiction services In 2024 Surgeon General Dr Vivek Murthy declared a national epidemic of loneliness and isolation exacerbated by the COVID 19 and opioid crises His advisory underscores the importance of social connection empathy and belonging as vital components of well being Despite the urgent need stigma surrounding mental health and substance use disorders persists hindering access to care Historically training programs have underemphasized addiction and behavioral health education across medical and behavioral health disciplines This book serves as a vital resource for interdisciplinary teams highlighting the crucial role each profession plays in improving access to addiction and mental health care and reducing stigma It advocates for a collaborative relationship centered approach equipping clinicians and peers with the knowledge and skills to effectively address addiction and behavioral health within communities Expertly written and reviewed it offers up to date scientific and clinical information spanning a broad range of relevant topics

**The Changed Life: How COVID-19 Affected People's Psychological Well-Being, Feelings, Thoughts, Behavior, Relations, Language and Communication** Ramona Bongelli,Alessandra Fermani,Daniela Raccanello,Rob Hall,Ilaria Riccioni,Morena Muzi,Roberto Burro,2023-10-30 Covid 19 changed the lives of millions of people around the world The effects of the global pandemic on the physical and psychological health of individuals as well as on their behavioral habits relationships and the way they communicate do not seem to be only short or medium term but on the contrary appear to be long lasting In the same way that it is possible to use the term long covid to refer to the long term effects on the physical health of individuals who have contracted the virus so we think it is possible to use the expression psychological long covid to indicate the long term effects on the psychological health of individuals not only of those who have been infected but more generally of all those who have had to cope with social restrictions lockdowns

distancing remote work and learning etc imposed by the pandemic At the same time many people demonstrated resilience as the capacity to cope with adverse events through positive adaptation
