OnStar hit the jackpot by examining something that wasn't there. You'll find in-depth interviews with GE's Mark Vachon, IndieGoGo's Danae Ringelmann, P.F. Chang's Rick Federico and other leaders of innovation. And you'll learn how to crack the genetic code behind the six essential building blocks of business: product and service innovation, customer impact, talent leadership and culture, process design, trendability and secret sauce. Once you unlock the secret of your company's DNA, you can evolve your strategy, build your future and find your next. PRAISE FOR FIND YOUR NEXT: When you add it all up, this is indeed a time of great change, and arguably much of what we know about management today is becoming obviated. Which is why Find Your Next is such a helpful contribution to every manager's arsenal. It embraces the shift from industrial models to models for the 21st century. And it's a great read, packed with great stories and tons of practical advice. Read, enjoy and prosper. Don Tapscott from the Foreword of Find Your Next: Every great strategic thinker uses the ideas in this book, but it took Andrea Kates to write them down for the rest of us. Seth Godin, author of We Are All Weird: Andrea Kates is this generation's new brand whisperer, and Find Your Next is the best toolkit for landing on your company's next. Lane Cardwell, President, P.F. Chang's China Bistro: Andrea Kates's ideas about the Business Genome project are cutting edge. They will completely transform the way we think about the impact of cross-organizational connections as a way to fuel business growth. James Fowler, author of Connected: The Surprising Power of Our Social Networks and How They Shape Our Lives and Professor of Medical Genetics and Political Science, UC San Diego: Find Your Next combines radical thinking, innovative insight and real-world experience to give corporate leaders a powerful compass in this era of unprecedented economic challenge. Catherine Crier, former judge, journalist and New York Times bestselling author: Years ago I thought about what was next for music fans and turned to lessons learned from NASCAR and the NFL, not other musicians, to come up with the inspiration for the Lollapalooza festival. That's exactly what Find Your Next provides: an easy-to-follow guide to game-changing innovation based on cross-industry thinking. Perry Farrell, founder of Lollapalooza festival and legendary rock frontman for Jane's Addiction: The difference between a great idea and a great business result is the ability to integrate insights from lots of different sources and get an entire organization on board quickly. Kates is onto something truly novel. Find Your Next could easily become the new industry standard for innovation. A must read. Mark Vachon, GE Company Officer: If you thought you've been thinking creatively about your business, get ready for a new ride. In her book, Andrea Kates describes the Business Genome approach, a radically fresh roadmap to infuse innovative change into your business. Pure magic. Nick Pudar, Vice President, Strategy Adjunct, Lecturer, Farley Center for Entrepreneurship and Innovation, McCormick School, Northwestern University and independent innovation consultant: Find Your Next brings together a collection of insights and approaches that challenge everyone in an organization, from the CEO to the front line, to be nimble and build new muscles for rapid innovation. It disrupts the patterns of incremental growth from traditional strategic planning. The result is a process that can get your organization to market faster and leapfrog the competition. Alistair Goodman, CEO, Placecast

### **Blue Ocean Strategy Expanded Edition Introduction**

In today's digital age, the availability of Blue Ocean Strategy Expanded Edition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Blue Ocean Strategy Expanded Edition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Blue Ocean Strategy Expanded Edition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Blue Ocean Strategy Expanded Edition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Blue Ocean Strategy Expanded Edition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Blue Ocean Strategy Expanded Edition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Blue Ocean Strategy Expanded Edition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Blue Ocean Strategy Expanded Edition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Blue Ocean Strategy Expanded Edition books and manuals for download and embark on your journey of knowledge?
