Saving New Sounds Jeremy Wade Morris, Eric Hoyt, 2021-07-19 Over seventy five million Americans listen to podcasts every month and the average weekly listener spends over six hours tuning into podcasts from the more than thirty million podcast episodes currently available Yet despite the excitement over podcasting the sounds of podcasting s nascent history are vulnerable and they remain mystifyingly difficult to research and preserve Podcast feeds end abruptly cease to be maintained or become housed in proprietary databases which are difficult to search with any rigor Podcasts might seem to be highly available everywhere but it s necessary to preserve and analyze these resources now or scholars will find themselves writing researching and thinking about a past they can t fully see or hear This collection gathers the expertise of leading and emerging scholars in podcasting and digital audio in order to take stock of podcasting s recent history and imagine future directions for the format Essays trace some of the less amplified histories of the format and offer discussions of some of the hurdles podcasting faces nearly twenty years into its existence Using their experiences building and using the PodcastRE database one of the largest publicly accessible databases for searching and researching podcasts the volume editors and contributors reflect on how they as media historians and cultural researchers can best preserve podcasting s booming audio cultures and the countless voices and perspectives podcasting adds to our collective soundscape **The Railway Times ...**

,1883 The Case for Good Jobs Zeynep Ton, 2023-06-06 Named one of the Best Business Books of 2023 by the Financial Times Thinkers50 2023 Winner Talent Award From MIT professor and pre eminent voice on Good Jobs comes a leadership guide for choosing excellence and providing good jobs that offer a living wage dignity and opportunities for growth From healthcare facilities to call centers fulfillment centers to factories and restaurants to retail stores companies are struggling to find or keep workers because the jobs they offer are low paying stressful and provide little chance for growth and success Workers want good jobs and many leaders want to provide them But they don t think they can offer higher pay and more motivating work without hurting the bottom line Most business leaders want to win with customers but their companies are hobbled by a host of service and operational problems largely driven by high employee turnover turnover that s partly driven by low pay It is indeed a vicious cycle and Zeynep Ton is here to show you the way out why good jobs combined with strong operations lead to higher productivity and increased competitiveness for the business And why more than ever in a world with tight labor markets failing to provide good jobs will catch up with you and threaten your business As the leading scholar on good jobs and president of the Good Jobs Institute Ton has helped executives at many companies implement a good jobs system With expertise drawn from spending time on the front lines with workers s and their managers she knows what s

keeping most companies mired in mediocrity and how implementing a good jobs system makes them more competitive more resilient and more likely to attract and retain loyal customers and dedicated employees Practical prescriptive and often provocative The Case for Good Jobs is essential reading for company leaders who want to who need to choose excellence

**The Art of Business Wars** David Brown,2021-04-13 Based on the chart topping Business Wars podcast stories and lessons from history s greatest business rivalries Using Chinese military genius Sun Tzu s strategies as a guide Brown examines why some companies triumph while others crumble Business is a fight for survival In business as in war leaders match their wills in pursuit of opposing outcomes they devise strategies and marshal resources for victory Success can turn on the smallest of details a single tactical blunder can topple an empire Ultimately one side triumphs and victory is all that matters David Brown host of the hit podcast Business Wars masterfully frames some of the biggest business rivalries in history using revered Chinese military strategist Sun Tzu s insights and pragmatic advice Each rivalry he examines tells a story of combined wits strategies and resources Brown chronicles the rise of companies as they vanquish rivals formulate innovative plans and adapt to keep up with shifting societal needs The goal Stay ahead of the competition and emerge victorious as an industry titan By compiling powerful insights uncovered over hundreds of episodes and more than a year of in depth research Brown has developed a formula for business intrigue that uses popular history as a hook to lure readers in The stories in The Art of Business Wars are fascinating but the lessons we draw from them about determination ingenuity patience grit subtlety and other traits that contribute to a victorious enterprise are invaluable whether you re a software slinging freelancer or the CEO of a multinational manufacturer
