Rembrandt Kathi S. Barton, 2015-01-09 1800 years ago It was time for him to die Rembrandt was ready He had put up a good fight and nearly died twice that day but now he was done and he was ready to die on the battlefield with the rest of his brethren Death would be merciful He would finally be with his wife and children A being clad in black had other ideas Rembrandt was meant to help him fight his cause and to help right a wrong that his kind had brought to this world He gifted the reluctant Rembrandt with a taste for blood and immortality and more so much more Back to the present Rembrandt had had enough He was over this life 1800 years ago and now he was just sick of it The creatures he fought the

malefactors kept growing in numbers and he couldn't kill them fast enough to keep up. He had fought the battle alone all these years and he wasn't sure he even wanted to anymore. Skylar Manning was just trying to be nice. The mysterious man dressed in black was hanging around after closing again. It was the third time this week. Only this time he grabbed her arm. Her world changed forever. Suddenly she found herself hunted by shadowy figures with razor sharp teeth and into the arms of a warrior who craved her as much as she did him.

Marc Kathi S. Barton, 2013-11-15 Jonny Thomas is on the run. She has just escaped Dawson's little house of horrors and has no plans of going back. Roy Dawson deals in exotic animals and has a high demand for black panthers; he wants Jonny back at any costs. She thinks she is the only panther shifter in existence and a freak of nature. She has no idea she isn't alone. Marc Bowen lost his original mate in a freak accident when they were teenagers. He has resigned himself to stay in the background, watching his brothers find their other halves to find happiness. He's even considered moving away for a while. Fate, however, has other plans for Marc. Now that Marc has found Jonny, there is no way he's letting her go. He needs her to be complete. Earning her trust, however, is easier said than done. Jonny trusts no one and is afraid to love. Everyone she has ever loved has always gotten hurt because of her and she won't stand around and just let that happen. Family is everything to the Bowens. Now that Dawson has tracked Jonny down, the Bowens band together to protect her. Their plans are nearly fail-proof. Nearly what could go wrong? Right. Find out in the fourth installment of the Bowen Boys.

Marc Asher Kathi S. Barton, 2015-06-26 Two Men Joined By Fate. Asher and Kiaran were joined at birth by the dying decree of the Dragon King. Literally, Asher had his own bit of magic as a 3,000-year-old immortal and Kiaran was his dragon shifter. Out in society, Kiaran was a part of Asher absorbed into Asher's body, only being able to separate in dragon form. At their birth home, the two men could exist apart from each other as men. They protected each other and would until their dying breath if it ever came to that. They shared everything that is until Essie came along. Essie was doing her best to hide from a mother that didn't even recognize her own daughter. The witch had poisoned her with a scratch and if Essie wasn't healed soon, she'd die. Sick or not, she didn't want anything to do with that handsome overbearing barbarian Asher nor that rude dragon that protected him. She was doing just fine on her own. But Asher had other things on his mind and after a while brings Essie around to his way of thinking and makes her his wife, but Kiaran brought up a valid point. Essie was his mate too. Could Essie find it in her heart to love both men equally? To share the bed of both together? Asher's five brothers and their dragons watched the scenario unfold with bated breaths. The subject had never been broached and all their futures hung on the outcome.
