Amazon Benedetta Brevini,Lukasz Swiatek,2020-11-26 Taking a political economy of media approach this book examines Amazon as a significant actor in the global media landscape Amazon is mainly conceived in the popular consciousness and media commentary as a corporate body selling products and services to individual consumers and organisations but Brevini

and Swiatek show that Amazon has become a communication giant that trades in diversified media its own and others and exerts a significant influence on global communication especially through its online services Further the authors provide evidence of Amazon s multiple influences on politics economics and culture With its comprehensive and critical overview this book is ideal for students scholars and researchers of media and communication studies and political economy The Eastern Reporter ,1886 **City Logistics 2** Eiichi Taniguchi,Russell G. Thompson,2018-05-24 This volume of three books presents recent advances in modelling planning and evaluating city logistics for sustainable and liveable cities based on the application of ICT Information and Communication Technology and ITS Intelligent Transport Systems It highlights modelling the behaviour of stakeholders who are involved in city logistics as well as planning and managing policy measures of city logistics including cooperative freight transport systems in public private partnerships Case studies of implementing and evaluating city logistics measures in terms of economic social and environmental benefits from major cities around the world are also given Business Result 2E Pre-intermediate Student's Book Kate Baade,Michael Duckworth,2020-07-28 Business Result Second Edition offers business professionals more communication and language practice than ever before helping students develop relevant communication skills they can use immediately in the workplace Great downloadable resources to support you when using Business Result Second Edition can be found at <https://elt.oup.com/student/busresult>

Strategic Retail Management and Brand Management Doris Berger-Grabner,2021-10-25 The retail industry and associated business models have gone through a significant phase of disruption The rapid emergence of new technologies digital business models and the evolution of social media platforms as a new sales channel continue to influence the sector Key contextual or external trends will affect and shape the retail landscape in the years to come Therefore it seems important to prepare for this situation and be ready with a head start in terms of knowledge This textbook provides its readers basic knowledge about the national and international retail sector and gives important insights into trends and developments It deals with key trends in particular new patterns of personal consumption evolving geopolitical dynamics technological advancements and structural industry shifts Moreover it explains why it is so important that retailers use these trends adapt their retail strategies and tactics create strong brands and come up with innovative new ways of doing business Today we are living in a challenging time for retail This textbook tries to give insights and explanations to better understand these challenges and provide managerial implications *An Introduction to Operations Management* Ajay Das,2015-12-22 An Introduction to Operations Management The Joy of Operations covers the core topics of operations management including product and service design processes capacity planning forecasting inventory quality supply chain management and project management Das provides a clear connected and current view of operations management and how it relates to a firm s strategic goals Students will benefit from the real world scenarios that foster an understanding of operations management tasks Without relying heavily on statistics and mathematical derivations the book offers applied models and a simple

predictable chapter format to make it easy to navigate Students of introductory operations management courses will love this practical textbook A companion website features an instructor s manual with test questions as well as additional exercises and examples for in class use
