Barton, 2014-10-26 Galin knows it's his turn

and he isn't having any part of it. He makes no bones about making it clear to Boss either that he both knows what he is up to and isn't going to cooperate. He doesn't now or ever want a wife. This boy you are going to protect is somewhat of a problem child. He has had a great deal thrown at him but Boy Boss nodded and frowned. No, I'm sorry but it should be a woman, not a boy. I'm not you're going to assign me my wife to care for. I don't want one but I know it should be female. What is this about? He pushed the file back at Michael. You want a wife? It was my understanding that you have no wish to be wed. Am I correct on that? Galin nodded and looked at the file with the picture of a young boy on it. He appeared to be in his early teens, maybe, but he wasn't much older than that. Galin: Do you wish for me to reassign you? Do you have no desire to help this young man? I thought I was going into the rotation to find me a wife. The way that you did for Riss and Agon. He looked up at Boss and Michael who had summoned him today. I had thought that the Mystics were a way for you to get rid of us all and marrying us off was better than having us die. I'm, I'm not sure what's going on now. Dusty McGee has just lost her sister to a horrific accident and finds herself saddled with a very angry young nephew to raise. Now some self-proclaimed protector Galin tells her that although he doesn't want to marry her, he would very much like to take her to his bed. She's had about all that she can stand. Markum has set his sights on taking the boy to his realm, convinced this is the alleged boy the demons have been searching for, and Dusty is an added bonus.

Demon Hunger Ingrid Seymour, His lies stole my heart, the truth broke it into a million pieces. Drevan Morningstar opens his mouth and lies pour out. What did I expect? He is Lucifer's son and the feelings I allowed to grow are my fault. Yay to naivety. But life goes on and humanity's future still hangs in the balance and I must keep working with Drevan to redeem five more sinners. That is challenge enough. However, things are never easy when dealing with evil demons and to complicate matters, the jerk has invaded the only sanctuary I had, the League of Demon Hunters. Hell is overflowing. Rogue demons are causing more trouble than ever. The third subject we must redeem may be the worst yet. And to top it all, Drevan insists on staying close to me, which keeps igniting the flames of a passion I'm desperately trying to drown out. The world around me is chaos and I'm afraid of the choices that lie ahead. If I'm not careful, I fear I may lose my soul.

Richard Kathi S. Barton, 2016-07-11 Richard James is a very old vampire and was already an immortal when he joined Rembrandt's team. Old grievances and heartaches committed decades ago still haunt him today. The murders of his mate and brother can be placed on a single culprit. Lucia Alvarez Ryiah isn't happy. It's do as her sister says or suffer the consequences. She can handle the beatings but being locked up in a cell again with no sunshine or earth is more than she can bear. Ryiah is fae and needs these things to survive. So when her sister says to bring her her mate, Richard James, the second lord of the Highlands castle of Ireland, that's what Ryiah sets out to do. Vampires and fae are mortal enemies. The blood of the fae is like an intoxicating drug to a vampire, turning the vampire feral. Rick knows immediately that the beautiful woman is fae, but that's not the problem. There are other fae at Rembrandt's compound and Rick has no problems being around them. Sweet Tempo James P. Kain, 2009-05-11 From the Prologue of *Sweet Tempo* Call me Stephen Please Mom and dad call me Little Stevie an embarrassment made worse by the fact that there is no Big Stevie in our family unless you consider Uncle Steve who we haven't seen since my first communion My dad Leopold by the way named me after one of his army buddies who died in the Pacific campaign of WWII I think he wanted me to be Little Stevie reincarnated or something I often disappointed him It's just as well that he didn't call me Little Leo But it's having the Little attached to me all my life that gave me twitches I always wondered when I would grow up I thought it might happen when I first went to college but my mom's letters and phone calls spread the name through all the dorms and hallways It took a major decision the only one at that for me to step out of Little Stevie's pantaloons and into gabardine trousers of adulthood although I really don't know what gabardine is for I still wear denim When I decided that I had enough of college and wanted to travel they surprised me by not arguing At that point I wasn't sure if I had made the decision or they had but once they set me free I was cornered into going Decisions do not come easily to Little Stevie so it was with great ironies and twists of fate that this decision would lead me to this My trip began as an adventure and this book a travelogue But as Providence would have it it soon became a romance and then some twisty sort of unromance then I wish it never happened a tragedy The reader I hope sees a comedy in tragic guise the irony is there to taste Much that is written here need not have been written my preference is that none of it occurred At this point much seems like a nightmare within a dream and in fact the dreams I had while on this trip were as real as sin You'll see There are times that I wonder if it happened at all But the story here needs to be told if only to honor the memory of love lost Perhaps the story will entertain but it also serves as therapy and treatment for the tragic minded and chronically romantic I wonder now if this is what it means to grow up
