Dallas Kathi S. Barton,2023-11-20 From the moment Amy found out her brother was running for the presidency of the United States she moved out of the family home and changed her last name She loved her brother but she didn t love the limelight All she wanted was freedom The freedom to live her life the way she wanted without being in the shadow of the Secret Service all the time Taking pictures was her passion and that s what she would do and no one would stand in her way Amy had taken a lot of great shots of the animals at the zoo but if one more person asked her if she had permission to be there she would scream She just about had her camera in focus when another zoo employee approached her He introduced himself as Dr Dallas Dixon and instead of being upset with her he wanted her to take some pictures of a gorilla who had just given birth but the baby wouldn t live It didn t take long for Amy to realize that Dallas was a shifter and silverback to his troop You re the silverback The leader to her I don t know how that works but you re a shifter Gorilla shifter and leader That s why that other man said that you could order her to do Christ oh mighty Oh fucking no She turned her entire body and looked at the man sitting not ten feet from her You are not telling me that you have it in your impossibly small mind that I m whatever they call a silverback s mate are you No Don t answer that I don t need to nor do I want to know

Sweet Revenge Nita P Amos,2022-04-18 It all began with a simple Hi Before she answered she checked his profile page He was gladly married A dad It required her days to answer At the point when it came it was an inquiry What is it that you need Before she could drop her telephone on the table A message sprung up It was him Hello good day I simply need to talk with you yet I can only do that when you are less busy You let me know when you are less busy gorgeous lady She sent him emoticons Here Utilize this Call your wife and talk with her And I can see you are married as well We sure realize marriage doesn t restrict friendship my dear She sent him an answer It was underbred Satisfy I m not fascinated I m a married woman Take a look at my profile Hi Get that into your skull The following message was quiet and straightforward OK If it s not too much trouble pardon me In any case I like you simply need to have a straightforward talk Not after I screen capture your chat and post it on my wall I should ensure it gets to your better half This is the way you men continue slipping into ladies inboxes deluding them Imbecile He read the message No reaction In any case he was amazed it got to that She did as she said At the point when she did he had proactively gone disconnected She labeled him in the screen capture with inciting subtitles Furthermore it some way or another showed up on his wall Remarks flew That very day his better half was somewhat exhausted with work at the workplace she got her PC from the work area and opened it endorsed on Facebook The

principal thing she saw was the disgrace on her husband's wall Stunned She gulped No spit outrage grasped her so awful that she needed to close her PC with a noisy bang An amazing possessive spouse A controlling and forceful spouse She got back home unsmiling face not surprisingly He was in the front room in boxers relaxing on the futon Sitting in front of the TV She remained behind him watching him Infuriated Is that the way you disgrace me in public Married women Has it gotten to that Are you nuts He squirmed and looked behind to see his better half standing there In the suit tote close by Harsh look He was befuddled attempting to sort out what prompted all that Hon what's up She disregarded him and went directly to the main room A bashful quietness He thought no sign He believed on the off chance that they battled in the first part of the prior day she left for work there was no battle he contemplated internally as he wavered He was profoundly stressed that his better half would be so irate this way that there is an off base thing He had never contemplated his talk with a friend on Facebook It had never entered his thoughts even once However at that point he signed in to his Facebook account to engage himself Blast Notices talk springing up From the outset he was confounded What is happening Before he went through the wall with his friends Goosebumps Hello brother I comprehend how you feel I know it's not what she thinks Do well to remove yourself from the post Another talk Brother are you there remove yourself immediately before your dear spouse sees that post It will be a debacle Hi What is this I am seeing on your wall He went directly to his wall to see with his own eyes He was perturbed and devastated Then amazed He then almost cried as he read the inscription this is the manner showed guileless young ladies Assuming this simpleton is your husband I'm advising you to take off from his home before he brings ladies into your home Improper he goat I cautioned you

Valyn Kathi S. Barton, 2018-06-21 Jennifer Hale had been in the hospital handcuffed to the bed for five days The winged man standing guard had not left her side since she d been brought in and the fact that no one else could see him gave her the willies The man robbing the diner where Jenny worked had shot her in the leg and then she had killed him with his own gun It was kill or be killed but the local authorities hadn t seen it that way until now They were releasing her and as of now she had no job and no home to return to Valyn the Slayer was just tired He had just one desire to be put to sleep for an eternity Ever since he d lost his small charge the simple act of living seemed too much for him He had only looked away for a moment now she was gone and he blamed himself And now Boss was telling him his mate was here She s a lovely girl Broken too if you want to know the truth of it Perhaps you ve heard her mentioned She s the woman that saved that diner full of patrons about a week ago He d heard of it but didn t know her name The bill collectors are hounding her hourly However they are not putting the calls through to her room at the hospital for fear of upsetting her She s made some very good friends while staying there What happened to her Boss told him what she d done and how she d been shot And the bill collectors Why are they hounding her I m assuming that she has debt but it s more than that isn t it Yes she s now homeless and jobless Also with this other business of the credit card there is no way that she can make anything work out right for her Not without a great deal of help Valyn sat down on the wire wheel that had been left behind when the house had been rewired Valyn you told me that you were broken and why you thought so But this woman she can help you in ways that I cannot You could if you would just put me to sleep Boss shook his head What if I don t go and see her Don t take her as my mate Because I don t think my life could be any better to have her with me I m not good around people anymore I don t want to have someone depending on me for their wellbeing It s too much
