Tardieu, David Daly, José Esteban-Lauzán, John Hall, George Miller, 2020-02-05 The digital revolution is changing virtually
every aspect of the business world However most attempts at the digital transformation of enterprises fail largely because of
a lack of comprehensive and coherent strategy This book takes lessons learned from the rise of the digital platform giants
and explores how they can be adapted and effectively applied to established businesses allowing them to compete within the
new digital business paradigm Offering a holistic perspective on the business and technology landscape the book describes
the megatrends evolution and impact of digital technologies and business models It brings together what for many is a
disjointed set of business transformation imperatives to provide a practical guide to digital success Drawing on the authors
decades of experience in supporting transformation and innovation the book lays out a path to a progressive iteration of
business change and value realization balancing the perspectives of revolutionary transformation and change enabling
