Tok Trending Box Office Review:

TikTok Broadway Trevor Boffone, 2024 *TikTok Broadway Musical Theatre Fandom in the Digital Age* explores how TikTok has revolutionized musical theatre fandom and democratized musical theatre fan cultures and spaces. The book argues that TikTok has created a new canon of musical theatre thanks to the way virality works on the app, expanding musical theatre into a purely digital realm that spills into other non-digital aspects of U.S. popular culture. [The Oxford Handbook of the Disney Musical](#) Dominic Broomfield-McHugh, Colleen Montgomery, 2025 *The Oxford Handbook of the Disney Musical* brings together scholars from a range of disciplines to interrogate an enduringly popular and influential cultural phenomenon. Broadening the purview of extant scholarship while also reflecting its methodological multiplicity, this collection takes an expansive approach to the Disney musical. From animated musical shorts to Disney video games, the Handbook acknowledges that the Walt Disney Company uses the musical across a range of media and explores what that means culturally, commercially, and technologically. The chapters cover case studies from the classical *Alice in Wonderland*, *Bambi*, and more contemporary *Aladdin*, *Frozen II*. Eras acknowledge the importance of theme parks, television, and video games to Disney's success and explore cultural figures and themes. Contributors also unpack Disney's complicated relationship with race, gender, and sexuality, and the company's recent centennial provides an apt opportunity to reflect on the importance of the musical to the conglomerate's evolution in diverse segments of the media industries. Taken together, the Handbook combines innovative original research, analyses of previously unexamined archival documents, case studies, topical discussions, and critiques of current knowledge and existing scholarship to give voice to new perspectives on this important topic. By including the perspectives of scholars from film, theater, television, musicology, children's literature, and cultural studies, serving as a multidisciplinary resource. *Musical Courier and Review of Recorded Music*, 1919 *When I Think of You* Myah Ariel, 2024-04-16. In this sweeping second-chance romance from debut author Myah Ariel, the unexpected spark of two former flames may force them to choose between their dreams and each other. Kaliya Wilson has paid her dues. But all the years behind the reception desk at a flashy film studio have only pushed her movie-making dreams further out of reach. That is until a surprise reunion presents an opportunity that could make her career or break her heart a second time. It's been seven years since Kaliya's whirlwind college romance with Danny Prescott went up in flames. While her passions have stalled, his career is taking off. So when the hot-shot director reappears to offer her a job on his next production, it's a shock to the system. Working with Danny may recapture the intensity of their film-school days, but trusting him again won't come as easily. As the pair allows themselves the openness and vulnerability to entrust their deepest truths to each other, the possibility of a true connection draws ever closer. But when Hollywood politics and scandal threaten to sink the production and her career, Kaliya may have to risk everything to do what's right, even if it means letting go of the second-chance love of a lifetime.
