WIR sind ZIELGRUPPE - aber WIR haben auch die MACHT Ingo Ranz, 2026-01-13
Wirtschaftliche politische und gesellschaftliche Interessengruppen profitieren von der modernen Informations und Transformationsgesellschaft die sie selbst ausgerufen haben und unaufhörlich als das Maß aller Dinge beschweren das keine Nachfragen oder gar Zweifel duldet Mithilfe einer permanenten Informationsberflutung versuchen sie uns in unseren verschiedenen Rollen als Verbraucher Bürger und Individuum zu manipulieren und dadurch unser Verhalten in eine bestimmte Richtung zu steuern die in erster Linie ihnen selbst zugutekommt Wir stehen angesichts des immer undurchdringlicher erscheinenden Informationsdschungels nicht wunderbar wenn es einen komprimierten Überblick über die wichtigsten Strategien Tricks und Fallen gibt der zugleich für jeden Einzelnen alleine oder gemeinsam umsetzbare Lösungen anbietet Genau das will die kleine Reihe WIR sind ZIELGRUPPE leisten deren Teil 1 sich auf unsere Rolle als Verbraucher gegenüber der Wirtschaft konzentriert

The China Dream Jonathan A. Krane, 2022-05-03 WALL STREET JOURNAL
BESTSELLER An American corporate executive's paean to 21st century China and a call for doing business there Kirkus Reviews Many people do not have a full understanding of China today yet it has created the greatest economic transformation in history Since the early 1990s hundreds of millions of people have moved to cities in China where they gain access to better schools health care and infrastructure as well as higher paying jobs China's GDP has grown from 300 per capita to more than 10 000 in the past 30 years and lifted more people into the middle class than in any other country at any other point in human history It is important for investors US companies and anyone interested in the global economy to understand China China is rapidly shifting from an export driven low cost manufacturer to a consumer driven economy and the wealth of China's 1.4 billion consumers continues to grow As the founder and CEO of KraneShares an asset management company focused on China and headquartered in New York author Jonathan A Krane provides an inside look at China's transformation into a global superpower and explains why the relationship between the US and China is the most critical economic relationship in the world today The China Dream is your guide to understanding China's unmatched economic growth and fully realizing its status as an essential element in any well designed investment portfolio global business and

The Oxford Handbook of Job Quality Chris Warhurst, Chris Mathieu, Rachel E. Dwyer, 2022-05-26 The aim of this Handbook is to produce an interdisciplinary and international benchmark text for anyone wanting to understand job quality Job quality matters and has long and continually done so even if the terminology used to describe it has and continues to vary Debate about the future of work and job quality in the twenty first century centres on the impact of the new digital technologies of the putative fourth industrial revolution This debate compounds existing concerns about the restructuring of employment and importantly a worrying proliferation of poor quality jobs often within the context of neo liberal political economic hegemony since the early 1980s or the economic crisis that followed the Global Financial Crisis of the late 2000s Job quality is offered as a solution to challenges such as health welfare productivity innovation economic competitiveness democracy and democratic participation Bildung cultivation societal equality individual and collective quality of life and environmental sustainability As job quality is a key factor in addressing these and the other challenges it needs to be understood in all its complexity in terms of what it affects as well as what affects it This Handbook draws together into a single volume first an explicit focus on job quality both as a significant factor in and of itself and as producing instrumental effects on a range of other processes and outcomes second a catalogue of the diverse range of multiple contributions and applications related to

job quality and third the complexity and multiple interpretations of the concept of job quality Each chapter provides distinct responses to the question of why job quality matters coupled to a contention about for whom or for what job quality matters most As the chapters with their respective answers and arguments attest there are a range of ways in which job quality is relevant to an equally broad range of social economic and political concerns

The Palgrave Geopolitical Atlas Brian C. H. Fong, 2015-12-11 The Palgrave Geopolitical Atlas State and Quasi State Actors in Great Power Competition is a comprehensive authoritative survey of the twenty first century global politics Going beyond the traditional state centrism in the international relations discipline this book re orients both states and quasi states as critical geopolitical actors This book challenges the state centrism in orthodox international relations scholarship Advancing a post sovereign lens this book re imagines a global geopolitical map that features different types of states and quasi states By doing so this book transcends the mainstream great power small state framework in geopolitical studies and advances a novel agenda for investigating the interaction of states and quasi states in global politics It guides readers to interpret the twenty first century global geopolitical map through a post sovereign lens This book will be an essential reference for international relations scholars and students around the world It will also appeal to global policy makers and practitioners who are observing the dynamics of contemporary great power competition
