**The Crisis of Progress** John C. Caiazza, 2016-01-06 This book is about the concept of progress its separate varieties its current rejection and how it may be reconsidered from a philosophical and scientific basis John C Caiazza's main emphasis is on how science is understood as it has a direct impact on social values as expressed by prominent philosophers He argues that progress is at a standstill which presents a crisis for Western civilization Caiazza presents historical examples both of scientific inquiry and social and cultural themes to examine the subject of progress Beginning with the Whig model and progressive political values exemplified by Bacon and Dewey he also examines other variations the Enlightenment cosmopolitanism and totalitarianism Technology argues Caiazza also has a stultifying effect on Western culture and to understand the idea of progress we must take a philosophic rather than a scientific point of view Modern cosmology has inevitable humanistic and theological implications and major contemporary philosophers reject social science in favor of ancient concepts of virtue and ethics In the end Caiazza writes that time is an agent not a neutral plain on which scientific and historical events occur We can expect technology to keep us in stasis or become aware of the possibility of transcendence This book will be of interest for students of scientific history and philosophy

*Recommended Reference Books for Small and Medium-Sized Libraries and Media Centers* Shannon Graff Hysell, 2006-04. Based on the highly acclaimed reviews of American Reference Books Annual, RRB features only those resources that have been recommended for purchase by small and medium-sized academic, public, or school libraries. Written by over 200 subject specialists, the reviews will help librarians quickly identify the best, most affordable, and most appropriate new reference materials in any given field. All reviewer comments, both positive and negative, have been retained since even recommended works may be weak in one respect or another. If your budget precludes ARBA, this tool will provide you with the necessary information for the development of your collection. Features 530 critical reviews of reference books, CD-ROMs, and Web sites from the years 2004-2006, written by academic, public, and school librarians or professionals in the field. The reviews are selected based on their appropriateness for school libraries, small college libraries, or small public libraries, i.e., lower-priced, highest quality, etc., and feature a coded letter, i.e., C, P, S, indicating the type of library for which the medium is recommended. The reviews are pulled from ARBA 2006.      *The Web's Greatest Hits* Lynie Arden, 2005.      **Fantasy Football Guidebook** Sam Hendricks, 2010-03-20.
