Humanocracy, Updated and Expanded Gary Hamel, Michele Zanini, 2025-08-26 A powerful new edition of the Wall Street Journal bestseller that helps leaders build radically more human and capable organizations Now more than ever we need organizations that are daring resilient and creative Unfortunately when confronted by unprecedented challenges most companies and institutions prove to be timid plodding and orthodox The culprit is bureaucracy With its top down power structures and rule choked systems bureaucracy hobbles ingenuity and innovation In a time of upheaval these long tolerated impediments are fast becoming competitively and economically untenable Humanity needs and deserves something better In Humanocracy Gary Hamel and Michele Zanini make a passionate data driven argument for uninstalling bureaucracy and reinventing management as we know it In this extensively updated and expanded edition readers will find new and compelling case studies the latest research findings and a wealth of fresh and provocative insights Humanocracy is both a manifesto for institutional renewal and a blueprint for building organizations that are as courageous energetic and ingenious as the people inside them Essential building blocks include Motivation Rallying colleagues to the challenge of reimagining management as usual Models Leveraging the experience of vanguard organizations that have successfully disrupted the bureaucratic status quo Mindsets Escaping the industrial age thinking that undermines the quest to build radically more capable organizations Mobilization Activating a pro change coalition to hack outmoded management systems and processes Migration Embedding the principles of humanocracy ownership markets meritocracy community openness experimentation and paradox in your organization s DNA If you ve finally run out of patience with bureaucratic bullshit if you re eager to build an organization that can outrun change and outperform expectations if you believe every team member deserves the chance to do something extraordinary then this book s for you

The Human Upgrade Sandeep Chavan, 2025-10-18 The Human Upgrade Surviving AI with Universal Skill In an age where artificial intelligence writes designs diagnoses and even decides what remains for the human mind to do The Human Upgrade by Sandeep J Chavan is not another book about machines it is a book about us It explores what happens when automation erases routine when safe jobs vanish and when education still trains us for a past that no longer exists Across work learning and identity Chavan reveals one truth the only real upgrade left is within From the Industrial Revolution to the AI Revolution every leap forward has rewritten what it means to survive This book follows that journey showing how technology is not the enemy but the mirror of human choices AI is not the cause of disruption it is the consequence of centuries of human ambition curiosity and misalignment Through bold insights and real world parallels The Human Upgrade introduces the concept of Universal Skill the timeless capacity for awareness adaptability and resilience that outlives every profession every tool and every trend Inside the Book The Illusion of Safe Jobs Why even secure professions

dissolve in the face of automation Habits vs Universal Skill Why habits collapse under uncertainty and how true adaptability begins AI as Consequence Not Cause The Law of Consequences that governs every invention and disruption The Cracks in Work and Education How our classrooms and careers failed to evolve and what must replace them The Human Edge Empathy creativity and ethics as the strengths no machine can imitate The Upgrade Within A final call to evolve consciously not mechanically Why This Book Matters Where most discussions on AI end in fear The Human Upgrade begins with understanding It bridges science philosophy and practical survival to reveal the invisible foundation of human progress Universal Skill the one ability that adapts faster than any algorithm This is not a manual for beating machines it is a guide for staying human in a world run by them It teaches how to navigate uncertainty reinvent yourself through disruption and turn chaos into clarity Key Themes Future of work and education Human adaptability and resilience Emotional intelligence in the AI era Philosophy of technology and consequence Redefining identity purpose and meaning The Author s Voice Sandeep J Chavan engineer turned educator and independent researcher writes from the intersection of science philosophy and experience Known for his Universal Energy Dynamics UED framework and over a hundred published works he invites readers not to escape technology but to outgrow their dependence on it Closing Thought The future is not about AI replacing humans it is about humans replacing fear with skill If you are a thinker a professional an educator or simply someone wondering where you fit in the coming age of automation this book will meet you at the crossroads between anxiety and awakening The Human Upgrade is not about surviving the AI age It s about evolving through it

**Digital Public Relations and Marketing Communication Trends in Africa** Anne W. Njathi, Brandi Watkins, 2024-06-07 The uptake of digital media platforms necessitates the need to understand how digital cultures of consumers and brands are unfolding Despite the increase in usage and adoption of the internet in Africa there is limited information about digital marketing trends on the continent This book is among the first to present an edited collection of chapters on digital and influencer marketing authored by many who are either from or have close ties to Africa This book showcases digital marketing trends in Africa that are burgeoning at the same speed as the uptake of technology in the continent With this in mind the contributors seek to interrogate digital marketing trends in two stages the status of digital marketing on the African continent including cases from Nigeria Egypt Uganda and Kenya and an analysis of the rise of influencer marketing including cases from Nigeria and Uganda This book will explore factors driving the increase in digital media platforms in Africa as well as an analysis of the implications of the growth in digital marketing using various theoretical and methodological underpinnings to probe trends Digital Public Relations and Marketing Communication Trends in Africa provides significant implications for marketing scholars and researchers and will be relevant to those looking to understand the opportunities and challenges ahead
