Eat, Fast, Feast Jay W. Richards,2020-01-07 The New York Times bestselling author and senior fellow at the Discovery Institute blends science and religion in this thoughtful guide that teaches modern believers how to use the leading wellness trend today intermittent fasting as a means of spiritual awakening adopting the traditions our

Christians ancestors practiced for centuries into daily life Wellness minded people today are increasingly turning to intermittent fasting to bolster their health But we aren t the first people to abstain from eating for a purpose This routine was a common part of our spiritual ancestors lives for 1 500 years Jay Richards argues that Christians should recover the fasting lifestyle not only to improve our bodies but to bolster our spiritual health as well In Eat Fast Feast he combines forgotten spiritual wisdom on fasting and feasting with the burgeoning literature on ketogenic diets and fasting for improved physical and mental health Based on his popular series Fasting Body and Soul in The Stream Eat Fast Feast explores what it means to substitute our hunger for God for our hunger for food and what both modern science and the ancient monastics can teach us about this practice Richards argues that our modern diet heavy in sugar and refined carbohydrates locks us into a metabolic trap that makes fasting unfruitful and our feasts devoid of meaning The good news he reveals is that we are beginning to resist the tyranny of processed foods with millions of people pursuing low carb ketogenic paleo and primal diets This growing body of experts argue that eating natural fat and fasting is not only safe but far better than how we eat today Richards provides a 40 day plan which combines a long term nutritional ketosis with spiritual disciplines The plan can be used any time of the year or be adapted to a penitential season on the Christian calendar such as Advent or Lent Synthesizing recent science with ancient wisdom Eat Fast Feast brings together the physical mental and spiritual benefits of intermittent fasting to help Christians improve their lives and their health and bring them closer to God

The Carbohydrate Addict's No Cravings Cookbook Rachael F. Heller, Richard F. Heller, 2005 Low carb diets have transformed the way America eats but staying on them presents two common challenges cravings and boredom Drs Rachael and Richard Heller known for over twenty years as the Carbohydrate Addict s doctors have helped millions of people achieve weight loss success in their low carb diets Now developing two hundred exciting all new recipes they present a one of a kind cookbook that asks readers specifically what they re hungry for Organized by thorough lists of longings from hot and spicy to cool and refreshing The Carbohydrate Addict s No Cravings Cookbook emphasizes on the spot satisfaction that will reinvigorate every low carb dieter on any program Each of these selections is truly low carb with six grams of carbohydrates or less per serving and none of the recipes require special low carb brand food obscure ingredients or sugar substitutes Desperate for a real Italian dinner Try Chicken Parmesan Romana Hankering for heat Flaming Shrimp Portobello is fiery and delicious Craving crunch Crisp and Crackly Cheese Crackers provide the right snap Keeping readers motivated the recipes in The Carbohydrate Addict s No Cravings Cookbook address individual palates in an energizing new way This is the ultimate cookbook for winning the fight against carbohydrate temptation reaching and maintaining your ideal weight and reviving the pure pleasure of eating
