*Therapeutic Communication for Health Professionals - E Book* Julie Hosley, Elizabeth Molle-Matthews, 2006-01-20 This new textbook is designed to provide students with all the necessary tools to effectively communicate with patients and other health care professionals. With its easy-to-read style, it is loaded with useful tips to help students engage into the practice of communication. It presents condensed amounts of content for learning the basic principles and then integrating elements such as case scenarios, questions, or hints and tips to encourage application of those principles into real-life situations. Easy-to-read style provides practical information, hints, and tips. Test Your Communication IQ boxes provide students with a short self-assessment test at the beginning of each chapter. Spotlight on Future Success boxes provide students with useful practical tips for improving communication. Taking the Chapter to Work boxes integrated within each chapter are actual case examples with useful tips to guide students to practice and apply what they have learned. Beyond the Classroom Activities exercises at the end of each chapter help students use knowledge learned from topics presented in the chapter. Check Your Comprehension exercises at the end of each chapter provide questions and activities to test student knowledge of chapter content. Communication Surfer Exercises focus on helping students utilize Internet resources to improve their knowledge and application of communication skills. Expanding Critical Thinking at the end of each chapter provides students with additional questions or activities designed to apply critical thinking skills. Legal Eagle boxes provide useful tips that focus on honesty as well as ethical and legal communication between patients and health care workers. Unique interactive CD-ROM packaged with the textbook includes a variety of application exercises such as voice mail messages, patient caregiver interviews, chapter key points, and patient charts. Audio segments on the CD-ROM provide communication in action to help students observe verbal communication examples and apply their skills.
