Digital Legend and Belief Andrew Peck,2023-07-18 The internet brings new urgency to the study of folklore The digital networks we use every day amplify the capacity of legends to spread swiftly define threats and inform action Using the case of a particularly popular digital bogeyman known as the Slender Man Andrew Peck brings the study of legends into the twenty first century Peck explains not only how legends circulate in the digital swirl of the internet but also how the internet affects how legends seep into our offline lives and into the mass media we consume What happens he asks when legends go online How does the internet enable the creation of new legends How do these ideas go viral How do tradition and technology interact to construct collaborative beliefs Peck argues that the story of the Slender Man is really a story about the changing nature of belief in the age of the internet Widely adopted digital technologies from smartphones to social media offer vast potential for extending traditional and expressive social behaviors in new ways As such understanding the online landscape of contemporary folklore is crucial for grasping the formation and circulation of belief in the digital age Ultimately Peck argues that advancing our comprehension of legends online can help us better understand how similar belief genres like fake news conspiracy theories hoaxes rumors meme culture and anti expert movements are enabled by digital media

Everybody's Baby Lydia Netzer,2014-06-03 Jenna and Billy are in love He s an app developer a hyper plugged in citizen of the internet with a big Scottish family and winning smile She is a yoga teacher tuned in to the vibes of the spiritual universe who was abandoned by her mother as an infant and orphaned by her father s recent death When they meet it s electric and it is no time before they are married and eager to start their own family But when they can t get pregnant Billy devises a plan they would raise funds for their in vitro fertilization on Kickstarter offering donor perks like cutting the cord naming the baby and catching the baby when it takes its first steps The good news is that they make their fundraising goal get pregnant and have a baby The bad news is that their marriage begins to fall apart when they have to deliver on all those perks It s hard enough to survive delivering a baby without a performance artist making a documentary of the cord cutting It s difficult enough to get baby to sit up and smile for a six month portrait without a local politician taking up half the lens What does it mean to be owned by the internet Lydia Netzer s **Everybody s Baby** explores how relationships grow and fail in public and private life the hazards of living in the cloud and the nature of love online and off

Law on Display Neal Feigenson,Christina Spiesel,2011-05-13 Visual and multimedia digital technologies are transforming the practice of law how lawyers construct and argue their cases present evidence to juries and communicate with each other They are also changing how law is disseminated throughout and used by the general public What are these technologies how are they used and perceived in the courtroom and in wider culture and how do they affect legal decision making In this comprehensive survey and analysis of how new visual technologies are transforming both the practice and culture of American law Neal Feigenson and Christina Spiesel explain how when and why legal practice moved from a largely words only environment to one more

dependent on and driven by images and how rapidly developing technologies have further accelerated this change They discuss older visual technologies such as videotape evidence and then current and future uses of visual and multimedia digital technologies including trial presentation software and interactive multimedia They also describe how law itself is going online in the form of virtual courts cyberjuries and more and explore the implications of law s movement to computer screens Throughout Law on Display the authors illustrate their analysis with examples from a wide range of actual trials
