## EDUCATION

Degree, School Name, School City, School State

Graduation Month, YEAR

## TECHNICAL SKILLS

- Therapeutic Expertise:** list specific therapeutic areas that you may have expertise in separated by commas (good to highlight your expertise, especially if you're applying for fellowships within specific therapeutic areas; if not, it's also a good way to show your breadth of knowledge in therapeutic areas)
- Clinical Development:** list aspects of the clinical development process you have knowledge in, separated by commas to highlight that you know what you're talking about when it comes to the pharma industry, and that you know how to work individually
- Technology & Software:** list out software (MS Office, etc.) and other tools you are both using
- Business Development:** list out any business-specific skills you have, such as fundraising help in the pharma industry
- Soft Skills:** list out all the soft skills you want to mention, separated by commas again a great way to highlight your soft skills and career focus
