Romantasy S How To Open Now:

The Curse of the Wretched: A Spicy Beauty and the Beast Romantasy Retelling with Shadow Magic S. Usher Evans, 2026-09-08 From award winning author S Usher Evans comes a brand new steamy romantic fantasy featuring a gender swapped fairy tale retelling about a cursed witch and an earnest prince trapped in a house with an evil sentient magic. Five hundred years ago the Legendary Balfour vanquished the evil witch Ophesia saving Genad Kingdom from her heinous curse. So when that same witch crashes his father's coronation and revives the curse Prince Thom is charged with finishing what Balfour started. Thom is more diplomat than warrior and if a throne room of soldiers can't kill the shadow wielding menace he has little hope of success. Armed with Balfour's ancient journals Thom hopes to convince Ophesia to free his people with charm instead of steel. But his plan goes sideways when the beautiful and mysterious woman imprisons him vowing he'll never leave her magical castle hidden in the mountains. Thom's new prison is much friendlier than he'd expected with a quartet of enchanted housewares at his beck and call. As Thom learns more about his mysterious captor he discovers Ophesia's not just an evil witch but a woman who sacrificed everything for the man she loved once upon a time. And saving his kingdom might just mean mending her broken heart. First The Curse of the Wretched features reader's favorite tropes such as forced proximity, hidden identities, shadow magic, and slow burn yearning. Perfect for fans of Carissa Broadbent's Daughter of No Worlds, Alix E Harrow's The Everlasting and Rebecca Ross's A River Enchanted. Thomas's Choice (Scanguards Vampires #8) Tina Folsom, For over a year gay Scanguards vampire and master of mind control Thomas has meticulously mentored his protégé the young vampire Eddie. For just as long Thomas has harbored a secret love for him but he's convinced his powerful affection will never be returned. During a perilous patrol through San Francisco a desperate diversionary kiss from Eddie shatters Thomas's composure and ignites a terrifying realization in Eddie. He's undeniably uncontrollably drawn to his mentor, an unexpected attraction that threatens to shatter the very foundation of their relationship. As Eddie grapples with the shame of his sexual desires, Thomas's hope crumbles. Hurt and disappointment propel him down a treacherous path, one that threatens to consume not only him but everyone he holds dear. Only Eddie can pull him back from the precipice of eternal darkness. But does Eddie possess the courage to confront his deepest fears and claim the man who is undeniably his before it's too late. Lara Adrian, New York Times Bestselling Author of the Midnight Breed series. I'm addicted to Tina Folsom's books. The Scanguards series is one of the hottest things to happen to vampire romance. If you love scorching fast-paced reads, don't miss this thrilling series. Jensen,2026-02-09 In *The Resonance Decree* the bond that once cut Jessa and Commander Rhys open in private becomes something far worse in public a signal After the bloodbound scandal that should have destroyed them the Collegium doesn t simply punish Jessa It repurposes her Rumors spread of a forbidden resonance slipping into the upper air a pattern only the bound can feel only the condemned can follow And when Jessa senses it she realizes the truth with icy clarity the empire has turned her bond into a leash and someone is tugging the chain from far above Rhys is ordered to escort her into the sky cities where the Collegium keeps its cleanest lies its brightest relics and its darkest prisoners Jessa is told she s being protected Rhys is told he s containing a threat Neither of them believes a word Not anymore Because the closer they get the harder it becomes to tell what s real A message hidden in the resonance A name that should be dead A set of records rewritten in perfect ink And a shadow network that doesn t want Jessa saved it wants her activated Trust is already fragile between them Desire makes it worse The bond spikes when fear rises when anger flares when her pulse stutters at the sound of his voice in the dark Every time they reach for each other the bond answers with heat and pain as if it s warning them this is what the Collegium is listening for Now Jessa has one chance to end it To sever the chain before it tightens around her throat before the skies themselves become a cage before the bond rewrites her into something she can t recognize But to break a weapon you have to get close enough to touch the blade And the man she can t fully trust may be the only one willing to bleed beside her Book 2 of *The Sovereign Bond Trilogy* delivers higher stakes deeper secrets and a bond that is no longer just forbidden but hunted Perfect for readers who love forced proximity with razor edged tension a dangerous magical bond that won t stay quiet ruthless institutions hidden archives and conspiracies in plain sight slow burn yearning that turns feral under pressure

Close Liaisons Anna Zaires,2013-02-03 Demo http://youtu.be/YfUNCwJT_Wo Regular version of the book <https://wwwcreatespace.com/4021797> Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of

things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person s mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer s impression is spot on The book can be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimicked version I usually give away a copy of an un gimicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real u ngimicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding
