Rogue Astronaut Mitchell Jacobs,2026-03-16 At the core of *Rogue Astronaut* Mitchell Jacobs s debut poetry collection is a mystery Was the poet s father abducted by aliens as a teenager From this uncanny family lore spins a gravitational field of theory grief and imagination spurring speculations about the extraterrestrial as well as the terrestrial question of familial bonds What are the limits of understanding between two alien anatomies between two unlike minds Are we after all finally alone In poems that continually veer from play to reverence from body horror to bodily delight encounters with bed bugs and cuttlefish appear side by side with retro gaming and phantom light A brother living with delusions turns toward the sky The poet also peers skyward in search of connection across family lines across the body s borders across galaxies Outer space becomes a metaphorical terrain where queer desire and spiritual longing collide Just as Agent Mulder s iconic X Files poster declares I WANT TO BELIEVE so do these poems ache to trust in something more extraterrestrial life divine presence intimacy Jacobs s electrifying collection offers readers a singular voice attuned to the strangeness of living now where science fiction and memory tenderness and dissociation belief and doubt pulse in tangled orbit With wit vision and formal inventiveness *Rogue Astronaut* charts a course through the mysterious and the intimate inviting us to imagine new ways of connecting across distance time and the alien terrain of self

cofounder and CMO InStride Health and Assistant Professor of Psychiatry Harvard Medical School **Perceptive Machines** Rocky Scopelliti, 2026-04-30 This book offers a compelling look into the future of artificial intelligence where AI systems are no longer limited to just processing information but can perceive the world through synthetic senses The author explores how this shift from purely cognitive AI to embodied sensory experiences is blurring the lines between human and machine intelligence It s a deep dive into how multisensory AI powered by breakthroughs in areas like haptics and neural interfaces will fundamentally alter what it means to experience connect and ultimately to be human The book s key features lie in its multidisciplinary approach drawing insights from neuroscience philosophy ethics and frontier technologies to examine the far reaching implications of artificial perception It explores how synthetic senses will impact everything from personal identity and social relationships to cultural norms and moral agency The book contains discussions on AI systems that can genuinely feel a hug and virtual environments that engage all five human senses challenging our very definition of reality There is a deep dive into the technologies of the sixth sense from theory to engineering Introducing the infrastructure of synthetic sensing multimodal models brain machine interfaces and sensory AI architectures An interesting topic discussed is the privacy of the senses which raises urgent ethical questions about biometric sensing perceptual sovereignty and the right to emotional privacy Another topic of great concern is designing for dignity that outlines principles for creating AI perception systems that centre dignity inclusivity and user sovereignty This book is a useful resource for with technologists researchers philosophers ethicists and futurists who are grappling with the implications of advanced AI It can also be read by anyone curious about the cutting edge of AI and its profound impact on human existence **The 80-20 Money Makeover** Arun Kumar, 2024-04-25 Ever wondered why some people struggle with their finances despite earning well and putting in significant efforts to manage them And how some achieve better financial outcomes with little effort In The 80 20 Money Makeover popular blogger and financial expert Arun Kumar takes you on a money makeover journey Kumar s proven model based on the Pareto principle or the 80 20 rule helps you focus on the critical few decisions versus the trivial many and achieve great results with minimum fuss These frameworks will help you with different financial decisions required at crucial junctures in life such as planning your children s education buying a house or a car or even quitting your job and launching that start up you always dreamt of Furthermore it will help you set up an automated wealth creation system which will require no more than a few hours of your time every six months You will learn and master the different levels of managing your money one at a time apply practical behavioural insights to make sure you stick to the plan and eventually grow your way to wealth and financial freedom *Homecoming* Kate Morton, 2023-04-04 The highly anticipated new novel from the New York Times bestselling author of *The Clockmaker s Daughter* a sweeping novel that begins with a shocking crime the effects of which echo across continents and generations Adelaide Hills Christmas Eve 1959 At the end of a scorching hot day beside a creek on the grounds of a grand country house a local man makes a terrible discovery Police are called and the

small town of Tambilla becomes embroiled in one of the most baffling murder investigations in the history of South Australia. Many years later and thousands of miles away, Jess is a journalist in search of a story. Having lived and worked in London for two decades, she now finds herself unemployed and struggling to make ends meet. A phone call out of nowhere summons her back to Sydney where her beloved grandmother, Nora, who raised Jess when her mother could not, has suffered a fall and is seriously ill in the hospital. At Nora's house, Jess discovers a true crime book chronicling a long-buried police case, the Turner Family Tragedy of 1959. It is only when Jess skims through its pages that she finds a shocking connection between her own family and this notorious event, a mystery that has never been satisfactorily resolved. An epic story that spans generations, *Homecoming* asks what we would do for those we love, how we protect the lies we tell, and what it means to come home. Above all, it is an intricate and spellbinding novel from one of the finest writers working today. **Audio**, 1995 **High Fidelity News and Record Review**, 2000
