Church Music ,1973 **Library of Congress Catalog** Library of Congress,1963 A cumulative list of works represented by Library of Congress printed cards *The Catholic Choirmaster* ,1932 Without Frontiers: The Life & Music of Peter Gabriel Daryl Easlea,2013-09-17 He became famous with Genesis but simply to call Peter Gabriel a pop star would be to sell him very short indeed A quintessential Englishman he has since pursued several overlapping careers bringing to each of them his trademark preoccupation with quality control and restless curiosity In 1975 after leaving the band that made him famous he diversified into writing movie soundtracks various audio visual ventures tireless charity work and supporting major peace initiatives He also became world music s most illustrious champion launching the WOMAD festival and recording solo albums that featured musicians from every corner of the globe These and several other careers make writing Peter Gabriel s biography an unusually challenging task but Daryl Easlea has undertaken hours of new interviews with key friends musicians aides and confidants to get to the very heart and soul of Peter Gabriel his music and his complex life The result is an extraordinary biography of an extraordinary man **Catalog of Copyright Entries** Library of Congress. Copyright Office,1971 **Reluctant Heroes: The Story of Elbow** Mick Middles,2009-11-05 When Elbow won the Mercury Prize in 2008 for their fourth studio album *The Seldom Seen Kid* the accolade followed an organic 17 year long career marked by four classic albums and a cult following that cast them in the role of Manchester s best kept music secret Elbow started out at a time when great songs and evocative lyrics were not generally recognised Their music transcended genre age and image eventually finding its own distinctive global audience as Guy Garvey evolved into one of the most brilliant and intriguing lyricists of recent times *Reluctant Heroes* charts Elbow s long journey from humble roots through modest success to international recognition It features interviews with the band and those close to them to form the most complete band history to date *Sacred Music* ,1969 **Sects, Love, and Rock & Roll** Joel Heng Hartse,2010-11-01 If this book moves I hope it moves in the way pop songs do There will be a lot of talk about songs but inasmuch as this is a book about listening to music it s also about how listening to music makes us who we are or at least about how it makes me who I am and so it is an exploration an idiosyncratic and opinionated and particular one of a self shaped by the oddly intersecting forces of the American evangelical Protestant church and the American popular music scene I don t mean for that to sound hoity toity if this were fifteen years ago I would say that this book was about Christian music and I would know exactly what I meant My purpose now is not only to talk about Christian music I am not here to explicate Christian music to explain why it exists and whether it is any good Instead think of what you re about to read as like an iPod playlist a collection of essays and thoughts on listening to music and having faith and how they have made me and a lot of people like me and maybe you Also there will be some jokes about Stryper From the Introduction **The British Catalogue of Music** ,2000 Lost Chords and Christian Soldiers Ian Bradley,2013-07-31 Arthur Sullivan is best known as W S Gilbert s collaborator in the Savoy

Operas However Sullivan was far from being simply a composer of light operettas At the height of his fame and popularity in late Victorian Britain Sullivan was regarded as the nation s leading composer of sacred oratorios on a par with Mendelssohn and Brahms Yet despite his contemporary popularity and enduring legacy little attention has been given to Sullivan s sacred work The last twenty years have seen a considerable revival of interest in and critical appreciation for this aspect of Sullivan s work *Lost Chords and Christian Soldiers* provides the first detailed comprehensive critical study and review of Sullivan s church and sacred music As well as exploring issues of repertoire and ecclesiology involved in these and other formative influences and experiences consideration will be given to how far Sullivan s own personal beliefs and faith influenced his settings of sacred texts and the extent to which his own spiritual and theological leaning are expressed in his choice of material and style of setting Sullivan s motivation in setting religious texts will be probed and comparison will be made with the motivation output and approach of his closest contemporaries in this field most notably Stainer
