Here's how I can add value to your organization:

Middle part 4

My leadership fosters trust and engagement, empowering teams to exceed expectations and align with broader business goals.
- **Financial Acumen** – At Serrala, I managed the P&L for one-third of the global business. My decisions, anchored in financial discipline, drove over 40% top-line growth and a 185% increase in profitability over the past two years.
- **Innovation & Customer Experience** – I have consistently introduced innovative practices that enhanced the customer journey and internal agility. This customer-first focus significantly improved retention and reduced churn, strengthening long-term business performance.
