Lead Through Anything: Harness Purpose, Vitality, and Agility to Thrive in the Face of Unrelenting Change

Dustin Seale, Ed Manfre, 2023-11-14. The logical, inspirational, and simplified approach you need to lead through unprecedented chaos and help your teams and organizations thrive. In today's world of near-constant disruption, every leader faces a slew of conflicting demands involving employees of different generations, cultures, and age groups, one of history's tightest labor markets, and never-ending geopolitical, financial, and health challenges. *Lead Through Anything* provides simple, tested, and actionable strategies to help you continually level up your impact as an individual manager and leader. It walks you through the process of developing a leadership mentality that balances three key elements to achieve sustainable success: Purpose (Create and share a vision that motivates collective achievements and aspirations), Vitality (Generate a high level of connection and trust within your teams and organization), and Agility (Inspire and empower yourself and others to continuously learn and improve). *Lead Through Anything* focuses on a wide variety of skills, such as aligning people and energy to a common cause, building effective teams, and helping them work together more selflessly, establishing positive confidence more often in oneself and others, increasing engagement, and retaining top talent, and shaping a positive, impact-driven organizational culture.
