Spiritual Discipleship J. Oswald Sanders, 2009-01-01 As J Oswald points out true discipleship is more than intellectual assent to a belief in Christ it involves the whole person and lifestyle Those with only superficial belief will soon fall away from the faith but Sanders says a true disciple would rather be presented with a difficult challenge than a soft option Disciples are charged with the task of training themselves to be godly because it is their responsibility to remain spiritually fit Ever fresh topics in this time tested volume include the disciple s second chance the disciple s ambition the disciple s senior partner the disciple s Olympics the disciple s right the disciple s maturity **Handbook for the Ministry of Biblical**

Discipleship/Counseling BCF Biblical Counseling Foundation , NOTE To make best use of the Handbook it is vital that you already have a Self Confrontation manual and have completed BCF s Level 1 training This Handbook is designed for an advanced level of training The Handbook for the Ministry of Biblical Discipleship Counseling has been developed as a reference to help the biblical discipler counselor maintain his biblical focus in ministering to those with problems It is also

used as a basic resource in all BCF training courses beyond the Self Confrontation course This Handbook is an outstanding tool to be kept at hand by all disciplers counselors through years of ministry and can be used as a resource for Planning and conducting discipleship counseling meetings with all who ask for help in facing dealing with and enduring the trials of life Training others in the ministry of biblical discipleship counseling Evaluating one s own ministry for biblical focus and conduct and Photocopying useful forms for the ministry of biblical discipleship counseling *The Five Pillars of Discipleship* Chima E Umejiaku,2020-03-13 Christian discipleship is a fundamental biblical trust demonstrated in the ministry of Jesus Christ and within the early church Knowing the importance of discipleship Jesus walked closely with his disciples to influence their lives so they could in turn influence the world an impact felt around the world for many generations Christendom today puts less emphasis on the importance of Christian discipleship and the result is a generation of believers who are not deeply rooted in the basic principles of Christianity Proper Christian discipleship can not only equip believers with tools for effective ministry but also establish in them the basic biblical truths that they can pass on to future generations The Five Pillars of Discipleship stresses the importance of five basic principles in Christian growth Word of God prayer evangelism fellowship and praise and worship Christians who constantly practice these things will be spiritually strong and also sound in Christian doctrines Uplifting and encouraging this guide calls on pastors and ministers of the gospel to return to the fundamental truth of biblical discipleship for the benefit of all believers and their ministry In His Footprints John Ramasamy,2013-06-24 This book is a call for a radical commitment to following Jesus in terms of His conditions It laments the fact that too many professing Christians are contented with a very comfortable form of religion without dedicating themselves to the cause of the gospel Disciples are those who make things count They are never satisfied with the status quo They desire to see revival and renewal wishing to see lives transformed and numerical growth in the Church There is a passionate desire to fulfil the call of God on their lives They become an integral part of the vision and mission of their churches **Principles of Discipleship** Charles G. Finney,1988-02-01 Following a period of great revival Charles Finney reached a point of physical exhaustion which resulted in his writing a series of articles on various subjects to continue the work of discipleship in the new believers scattered throughout the regions of revival These practical instructions were published in the Oberlin Evangelist periodical and took the form of letters addressed to specific themes They now are collected and edited by Pastor L G Parkhurst to appear for the first time in book form As well as letters concerning sanctification major themes include Finney s letters To New Christians To Ministers To Parents To Christians Discipleship Defined Eric Russ,2010-11 DON T read this book if you want to remain comfortable Eric challenges us to consider what Biblical discipleship looks like based on what Jesus did Eric writes this book with the integrity of a man who is not merely theorizing about the way things ought to be rather he is describing what is actually happening as he builds Biblical disciples in the context of the inner city This book is soundly Biblical challenging and practical This book is about building disciples not programs Roger Hershey Campus

Rittenhouse,1982 **The Challenges of Integrating Religion and Spirituality into Psychotherapy** Francis A. Martin,2024-04-23 This book examines personal and professional understandings of religion in psychotherapy and advocates for integrity competency and cultural pluralism in clinical practice A major feature of this book is that it confirms the massive proliferation of religion oriented approaches to counseling and therapy in recent years It attributes this rise to opportunism and exaggerated individualism among therapists and to the frequent failures of professional associations clinical preparation programs and other influences In response to these influences it identifies the need for guiding principles for integrating religion into therapy discusses the religious issues that clients bring to therapy and advocates for major changes in clinical practice with emphasis on integrity and competence Building on a large volume of research and using evidence based conclusions it clarifies how these two major features of contemporary life can be integrated with integrity and competence The author maintains that religion should be a feature of the practice of counseling and therapy so long as it addresses the clinically relevant needs of clients However it also explores how the religion of counselors and therapists often expresses the needs of counselors and therapists instead of addressing the needs of their clients In the context of these questions and discussion of contentious challenges this book provides guidelines for relating religion with clinical practice and recommends needed actions by clinical preparation programs professional associations individual therapists state legislatures licensing boards social service agencies and corporations All of this stands on the conspicuous need for professional accountability in the delivery of mental health care **The Christian Advocate** ,1917 *Biblical Principles of Discipleship* Dmitriy Y.

Zherebnenkov,2011 **Therapy Thieves** Francis A. Martin,2020-03-13 Why are we practicing counselors and psychotherapists committed to failure This is the question that has haunted Dr Francis Martin as he has cataloged well over 20 000 distinct psychotherapy approaches advertised on the websites of licensed mental health professionals No doubt some of these are harmful most of them ineffective and many simply made up but the sheer volume of such techniques and

practices advertised by licensed professionals holding advanced degrees whose services are billed to clients and insurance companies calls the credibility of the entire mental health profession into question Based on significant original research that joins research from others this book describes a near universal crisis in mental health care and recommends ways to rescue the field from itself The crisis is caused by declining competence among counselors and psychotherapists who have failed to regulate themselves and who therefore deliver inadequate if not harmful services The book calls for major specific and urgently needed reforms *Youth and the Church* Roy G. Irving, 1968 *Journey to Disciple-Making* Peyton Jones, 2026-03-17 Discipleship was never meant to be complicated The earliest followers of Jesus learned to think like Him live like Him and lead others to do the same Now it s your turn *Journey to Disciple Making* is a practical hands on guide following the biblical framework in Peyton Jones s *Discipology* textbook This journal is designed specifically for everyday believers small group members and anyone ready to move from passive attendance to active participation in God s mission Rooted in the simple but powerful model Jesus used this journal walks you through three essential movements of discipleship Learn how to spend intentional Time with Jesus and with others Absorb the Teaching that shapes your heart mind and life Practice the Tactics that turn belief into bold action More than a workbook *Journey to Disciple Making* is a transformational journey that invites you to step into the time tested biblical pathways of disciple making that Jesus Himself modeled

Evangelism and Discipleship George E. Janvier, 1999 **Walk with Me** Bill Mowry, 2021-03-02 Have we over complicated over systematized and over formalized making disciples When our hearts are changed by Christ it s natural that we should want to help others come to know Him too And while Scripture clearly sets forth how to do so modern Western society has formalized professionalized and systemized disciplinemaking to a point that it seems too complicated to practice What happened to the simple heart to heart ministries of the New Testament In *Walk with Me* you ll return to the essential biblical practices that help people grow as Christ followers in simple slow and deep ways Learn how you can connect with your neighbors coworkers or anyone you want to reach with the gospel in ways that are relational and Spirit led You ll learn five kingdom principles that will reshape how you can pass on the faith In heart to heart ways By keeping it simple By going slow By building deep By living on mission **Biblical Discipleship: Essential Components for Attaining Spiritual Maturity** Dr. Todd M. Fink, 2017-04-17 Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There s only one way and it s called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the

Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it. Unlike the disciples who had much of Scripture memorized, a whopping 81% of Christians today don't read their Bibles regularly. Unlike Christ's disciples who were Fishers of Men, 61% of believers today have not shared their faith in the past six months. And sadly, unlike Christ and the Apostles who made discipleship the central focus of their ministries, 81% of pastors today have no regular discipleship programs in their churches. Discipleship is being neglected today, and the consequences are crippling many Christians and churches. This book hopes to change that. Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it's in crisis mode. Chapter 2 reveals 13 key factors contributing to the lack of discipleship today. Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry. Chapter 4 brings to light 14 essential components of the discipleship making process that must be understood and practiced in order to attain spiritual maturity. Chapter 5 provides practical how to help for growing in Christ. It includes self-assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands-on useful ideas for taking steps toward spiritual maturity. Discipleship is a command for all believers and is our highest calling. This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ. It's both an informative book and a how-to book. It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity. So are you ready to grow? Would you like to be pleasing to God? Would you like to fulfill the reason for which you've been created? Would you like the full blessings of God in your life? Would you like to become spiritually mature? Would you like to hear Christ's words, "Well done, good and faithful servant, when you arrive in heaven, if so, this book is for you." *The Biblical World* William Rainey Harper, Ernest DeWitt Burton, Shailer Mathews, 1918. Books for New Testament study. By Clyde Weber Votaw v 26 p 271-320 v 37 p 289-352. [Awakening the Sleeping Giant](#) Rob Burkhardt, 2003. [Awakening the Sleeping Giant](#) is designed to help churches revitalize the ministry of Sunday School and to more effectively see students transformed by the Holy Spirit and the Word of God. It isn't about a fresh coat of paint; it's about optimizing Sunday School from the ground up from the way it's perceived to how it's implemented.
