

Problem Paragraph:

- Define the nature of the problem.
- Establish its existence by explaining what has caused or led to the problem.
- Explain the extent of the problem.
- Explain its effects and why it is an issue that needs to be solved.
- Finally, warn readers about future effects if no solution is offered. Apply prior experiences from other communities to this section.
- Explain how others view the topic and the concerns of those people when it comes to trying to solve it. Address opposing arguments, and anticipate your audience's questions and concerns.
