

I'm frustrated with Venmo company holding on to my funds for 2 year and still hards time to contact them by phone. Never use Venmo to all customers. This ridiculous and it difficult to resolve my fun

★☆☆☆☆ 1.0

im have connected 2 time to release my funds that there sitting there in their account. And 1st and 2nd attempted still tell me it transfer but it not cuz my bank keeps telling me no fund was ever deposit. Now I will trying to call them and more clearance to get through. I put very bad review again about Venmo company. They do not live up to their promise.

User's recommendation: No not at all.

The Art of Investigation Revisited Chelsea A. Binns, Bruce Sackman, 2023-09-13 The Art of Investigation Revisited Practical Tips from the Experts examines the qualities required to be a professional thorough and effective investigator and is a follow up to the authors highly touted book The Art of Investigation 2019 This book features a wholly new line up of investigators experienced professionals in the field who delve into the soft skills that make an investigator effective Each chapter examines a specific quality required to be a professional thorough and most importantly successful in this challenging discipline The editors and contributing authors are all top in their field and bring a wealth of real world knowledge and experience to the subject While several publications exist on the procedures and steps of an investigation few books cover the creative and intuitive skills required Such traits are necessary to continually question in the face of investigative roadblocks unique qualities endemic to an inquisitive mind that can be trained to improve an investigator s professional skill set Each chapter discusses the applicability of the traits and requirements to the contributor s own work and experience as an investigator In doing so the contributors will provide valuable stories from their personal experience which demonstrates their use or a given trait and its importance in the course of their investigative work and career The case examples included throughout are engaging and as is often the case surprising An investigator must keep an open mind above all else and this book seeks to lift the veil on the inner workings of an investigation and the thought process and inner monologue of an investigator as part of that process The book is a

welcome addition to any investigator's toolkit and is also of interest to students in criminal justice security and Homeland Security programs security consultants corporate and private security professionals and the legal community
