

# 6 TIPS TO IMPROVE YOUR READING COMPREHENSION

One of the best ways to work on your standardized test reading score is to boost your reading comprehension ability. Consider these tips if you're interested in improving yours.

1

## READ FOR PLEASURE AS OFTEN AS POSSIBLE

You can read the types of books and articles you like, but also read stories that challenge you. Consider reading dry or complicated material now and then to get accustomed to understanding stories that aren't naturally compelling.

2

## CUT ALL DISTRACTIONS WHEN READING

You'll understand the material better when you have no distractions around. Fortunately, you aren't likely to have many distractions on test day, when the room is quiet and temperature-controlled.

3

## USE A HIGHLIGHTER OR TAKE NOTES OF KEY POINTS WHEN YOU READ

During the actual test, you'll be able to underline important words in passages. You can also do this when reading for pleasure so you get used to pinpointing the parts of the text that are most important to your comprehension of the story.

4

## STUDY CHALLENGING WORDS TO BOOST YOUR VOCABULARY

If you don't understand the words you're reading, look them up afterward so you broaden your vocabulary.

5

## DON'T TAKE ON TOO MUCH TEXT

If you're just getting started with reading more, don't try and read too much at once, because after a while, it might start to run together. Give yourself 15- or 20-minute reading periods and take breaks after those time periods end.

6

## SUMMARIZE WHAT YOU READ AFTER FINISHING A CHAPTER

A great way to solidify your comprehension of a topic is to summarize what you've read afterward. You can do this by writing a quick summary or talking about it with friends.
