These are the stories of the Women of the Catskills Whose Lives personify the strength of the Mountains Hailing from the home of industrious strong and creative individuals the women of the Catskills have embodied this rugged spirit best Though often overlooked in Catskill Mountain history their stories are inspiring like that of Candace Wheeler who used her rural upbringing to achieve personal success and improve life for others They are personal such as Lucy Lobdell s story A century ahead of her time she challenged conventional thoughts on equality and lifestyle Most of all they reflect the spirit of their surroundings as independent women like Marion Bullard challenged the status quo to build a better community Overcoming the physical challenges of mountain life and the societal obstacles they faced because of their gender Catskills most fearless women are revealed by local historian Richard Heppner Book jacket
