

A large crowd of people is gathered in a spacious, modern event hall. In the foreground, the backs of many heads are visible as they look towards a stage. The stage is elevated and features a large, dark screen that displays the text "OpenAI DevDay [2025]". The text is rendered in a clean, sans-serif font, with "OpenAI" in white, "DevDay" in blue, and "[2025]" in green. Several individuals are standing on the stage, some appearing to be in conversation. The ceiling is high and industrial, with a complex network of metal trusses and numerous stage lights. The overall atmosphere is that of a significant, high-profile event.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
