Princess Protection Program: Princess Protection Program The Movie Storybook Catherine Hapka, 2009-05-12 Carter Mason's life is turned upside down when her father Major Mason of the Princess Protection Program, a fictitious organization that rescues princesses, brings Princess Rosalinda to their Louisiana home. Rosalinda's country has been taken over by a dictator. The only way to save her country and her mother is for Rosalinda to go undercover as regular American teen Rosie Gonzalez. Carter is in charge of helping Rosie fit in, but getting the princess to change her ways is more challenging than either one of them expected. And when both girls are nominated for Homecoming Queen, they're in for an unforgettable adventure. From the rescue of Rosalinda to a Homecoming Queen ceremony, to remember this gem of a storybook that retells the entire hit film and features tons of full-color photos. *Princess Protection Program* Wendy Loggia, 2010-09 Carter Mason's life was turned upside down when her father Major Mason of the Princess Protection Program, a fictitious organization that rescues princesses, brings Princess Rosalinda to their Louisiana home. Now Carter and Rosalinda are both back to their normal lives in Louisiana and Costa Luna. They stay in touch via text, email, phone, and even the occasional visit. Carter tells her friend all about her father's other completed PPP missions, still able to have a laugh over some princesses' antics. Sometimes Carter and her father joke about her going on missions with him, after her plan to save Rosie. Her father knows she could someday follow in his footsteps, but he makes it clear that she's not to do anything like that ever again. Carter doesn't seek out trouble, especially when it comes to princesses; it just happens to find her. **The Princess Protection Program** Alex London, 2024-02-13 A delightful tongue-in-cheek twist on fairy tales and the magic school genre.
