

A promotional graphic for Disney 2025. The background is a solid teal color. On the left, there is a large, close-up image of the character Stitch from Disney's 'Lilo & Stitch', showing his blue fur, large black eyes, and a wide, toothy grin with a pink tongue. In the center, there is a character with dark hair and a blue eye patch, smiling and raising his right fist. Below him is a young woman with brown hair, looking upwards and to the right, holding a red apple. On the right side, the word 'Disney' is written in its classic white script font, and the year '2025' is written in large, bold, yellow block letters with a black outline.

**The Monster and the Mirror** K.J. Aiello, 2024-09-03 Revelatory memoir and cultural criticism that connects popular fantasy and our perceptions of mental illness to offer an empathetic path to compassionate care Growing up K J Aiello was fascinated by magical stories of dragons wizards and fantasy where monsters were not what they seemed and anything was possible These books and films were both a balm and an escape a safe space where Aiello s struggle with mental illness transformed from a burden into a strength that could win battles and vanquish villains A unique blend of memoir research and cultural criticism The Monster and the Mirror charts Aiello s life as they try to understand their own mental illness using The Lord of the Rings Game of Thrones and other stories as both guides to heroism and agency and cautionary tales of how mental illness is easily stereotyped as bad and violent Aiello questions who is allowed to be mad versus sane good versus evil and weak versus strong and who is allowed to tell their own stories The Monster and the Mirror explores our perceptions of mental illness in a way that is challenging and tender empathetic and knowledgeable and offers a path to deeper understanding and compassionate care
