## Compare & Contrast: Emma's Breakfast

Emma's favorite day of the year was her birthday. Not only was she older, but she also got to pick her favorite meals of the day. Since Emma had 4 brothers and sisters, she did not get to pick her 3 favorite foods to eat on the same day often. She had no problem picking hot dogs for lunch, and pepperoni pizza for dinner. However, breakfast was a tricky decision. She loved both donuts and cinnamon rolls! Donuts can come with several colors of frosting and sprinkle combinations. Donuts also have multiple flavors, so she could have one chocolate donut and one glazed donuts.

Emma kept thinking and started to picture a cinnamon roll. While it is in the circular shape as a donut, it has a very different flavor. Since Emma loves cinnamon, the cinnamon roll is one of her favorite foods to eat. Additionally, it has icing instead of frosting. Emma then pictured herself eating both. A donut she can easily bite into, but her favorite cinnamon rolls are ones she can unwind as they come fresh out of the oven. After thinking about her choices, Emma knew she made the right choice: cinnamon rolls fresh out of the oven!
