Reading Test Review

Week 1

Day 1

PASSAGE 1

"The moral is, that the colonies may be ruined, but that Britain would thereby be maimed" was stated by Benjamin Franklin. Agreeing with him, I must say you must not expect to hear from me as much as you have other than to state I grieve for the colonies. For which I ask you to consider to commit to public service because of the boldness from which the King of England makes his pretensions with taxes.

Madness Lane Warren to her husband

PASSAGE 2

If the colony militia increases in numbers, the colony will certainly increase in strength. That is why I ask you to consider such involvement. Hostilities were first commenced with the Stamp Tax. Freedom and hope are our augmentations of strength. Others speak that a revolt is wrong, but I object to such a notion! Freedom must be taken and not debated.

Luke Cole, Town Leader

What stance do both speakers take in the speeches?

Day 2

Setting: Massachusetts 1775

"Most have passed all of their lives in this country, so the idea of defending it is only natural. The heads of a few colonists run upon a truce with the British Parliament. But a truce cannot be made without us giving away our rights. We should not give England even more opportunity to encroach on our daily lives and sow even more seeds of discord." *Colonist Jefferson Abernathy*

The speaker's attitude toward the British government can be characterized as

- a. dismissive
- b. aloof
- c. warm
- d. brooding
