Hand,2009 Marketing is not an exact science and marketing issues are often interpreted defined and approached differently
by different people creating the potential for a disconnect in communication This is particular true of the client agency
relationship which oftentimes looks at a single marketing issue in radically different ways Perspectives on Marketing is a
unique spin on the he said she said format giving both the agency side Jason Miletsky CEO PFS Marketwyse and the client
side Mike Hand Director of Sports Marketing Hershey s of a number of topics that deal with marketing and the client agency
relationship It examines over 100 compelling and important marketing issues that marketers deal with on a regular basis
such as how to best measure ROI how to determine the best means for reaching an audience and how to craft the most
effective message Each topic is approached from both points of view in a conversational point counter point style This unique
approach provides a frank insightful and enjoyable look into the whole of the marketing process and helps promote
understanding between the marketer and the client The Hidden Psychology of Social Networks: How Brands Create
Authentic Engagement by Understanding What Motivates Us Joe Federer,2020-09-15 From the former Head of Brand
Strategy at Reddit comes a proven and thought provoking approach to the digital economy and how brands can create
authentic engagement that is rooted in the fundamental motivations behind human psychology Leading marketing

practitioner and thought leader Joe Federer draws on evolutionary biology anthropology neuroanatomy and psychology as well as more than a decade of hands on experience to explain why people act so differently in various online spaces and what they are seeking from participating in each one With a framework based on Freud s Id Ego and Superego model of the human psyche he demonstrates how the internet is a digital reflection of the collective human psyche and how different social networks correspond to different mindsets platforms like Reddit to the unfiltered Id Facebook and Twitter to the managed Ego and Instagram to the ideal Superego In the same way you behave differently when you re home alone out with friends communicating with family or interacting with coworkers people act and express themselves differently in these various online spaces Context matters Understanding this will enable you to develop and execute effective engagement strategies to reach your target audiences on each social network Learn how to create content that drives sharing and word of mouth how brands can fit natively into different types of social channels how to balance branded social presences across different networks why authenticity will only grow in importance to consumers Fascinating and deeply compelling The Hidden Psychology of Social Networks will equip you to make vastly more efficient use of your media buys establish more thoughtful strategies develop better creative and in the end deliver more effective marketing that provides value
