Unit 8: Comprehension Questions

Recommended Prior Knowledge

Students should have some experience in reading English texts. They should be familiar with the idea of answering questions on written texts as a means of demonstrating comprehension.

Context

This Unit should be done after Units 1, 2 and 7 and before Units 9 and 10. It can be done before or after any of Units 3, 4, 5 or 6, at the discretion of the teacher and dependent on the preference and skill of the students.

Outline

The Unit explains the difference between literal and inferential comprehension questions and teaches students to recognise their signposts and how to answer questions of each type. It teaches students how to recognise and answer questions which have to be answered in own words, with vocabulary, quotation and writer's craft questions, and questions which can be answered by lifting. It provides opportunities for group and pair discussion.
