Social Media Campaigns Carolyn Mae Kim, Matthew Prince, 2025-08-21 This third edition continues to give students a foundation in the principles of social media strategic communication and marketing necessary for today's communications professionals. In many ways, organizations now have access to more data and connection points than ever before. Yet this abundance requires more strategic and nuanced efforts. At its core, however, one aspect remains the same: The drive to create authentic human connection. Focusing on the principles for effective strategic communication via social media, this text allows readers to learn techniques and skills that transfer to different social media platforms. This edition again takes students through the processes of social listening, strategic design, creative engagement, and evaluation, with expert insights from social media professionals. This third edition includes new insights on AI ethics and organizational strategy that reflect the changing landscape of social media. Expanded insights from industry professionals equip students with diverse perspectives on leading social media hot topics. Updated case studies and real-world examples showcase how successful brands are navigating the latest trends in earned media, influencer marketing, and community management. This is an ideal text for undergraduate and postgraduate courses in social digital media marketing and public relations or a secondary text in broader campaign planning and writing courses. Accompanying gratis online resources include chapter reviews, PowerPoint slides, sample syllabi, in-class exercises, and more.

Networks Sydney University alumni staff and students, 2022-03-01 Our world is built around the people, groups, and communities we surround ourselves with. They form networks of connections, beliefs, and ideas that can help to shape the people we become. These networks have become vital in a time where lockdowns have pushed us apart and reinforced the need to be a part of something whole. This anthology examines the ways we find joy in lockdown, keep people and places alive through memory, and search for connection in an increasingly digital age. Featuring poetry, short stories, and visual art, it introduces bold new voices that will command your attention and prompt you to think differently about the relationships that make everyday life worthwhile.
