Deathstalker

Simon R. Green

Deathstalker:

Deathstalker Honor Simon R. Green, 1998-11-01 Owen Deathstalker defends his honor in this thriller in New York Times bestselling author Simon R Green's epic science fiction series Owen Deathstalker became a hero after the great rebellion against the tyranny of Lionstone XIV But he and his compatriots have no chance to enjoy their victory before they are launched into conflict again this time among factions quarreling over who will replace the deposed Empress Owen and Hazel d Ark attempt to escape the ensuing chaos only to discover that Humanity has problems more pressing than political squabbles as they encounter an even greater threat an encroaching invasion fleet of alien origin *Deathstalker Coda* Simon R. Green, 2006-03 With the Empire threatened by a mysterious entity known as the Terror Owen Deathstalker returns as foretold by the prophecy to save the known world leaving his descendent Lewish with the unenviable task of marshaling an army to destroy the dark legions of the madman who has usurped the throne Reprint **Deathstalker** Simon R. Green, 2016-05-04 Owen Deathstalker last of the infamous warrior Clan always considered himself more of a writer than a fighter preferring his history books to making any actual history with a sword But books won't protect him from Her Imperial Majesty Lionstone XIV who just Outlawed and condemned Owen to death without any explanation reason or warning No wonder she's called the Iron Bitch Now on the run from Imperial starcruisers shady mercenaries and just about everyone else in the Empire Owen's options are limited Though the name Deathstalker still commands respect in certain quarters out on the Rim Owen is lucky he can cobble together a makeshift team of castoffs including an ex pirate a cyborg and a bounty hunter But allies won't be enough to save him If he's to live Owen can either run forever or take down the corrupt Empire To do that he'll need the fabled Darkvoid Device an artifact dating back to the first Deathstalker and perhaps the only weapon powerful enough to help this ragtag rebellion win The time has come for Owen to finally embrace his Deathstalker heritage and all the blood and death that go along with it *Deathstalker* is the first book in New York Times bestselling author Simon R Green's beloved space opera series Praise for the *Deathstalker* series Green blends derring-do space battles and wry banter aplenty to form an eminently satisfying space opera Booklist The action is fast and frenzied consistently entertains with some wondrously quirky and warped characters Locus An over the top masterpiece that veers between brutal comedy and touching riffs on love loyalty and betrayal bloody funny and extremely bloody The Guardian UK **Deathstalker Return** Simon R. Green, 2016-08-03 Take a journey through the Age of Heroes After falling in love with the king's intended Lewis Deathstalker is now exiled an outlaw from the empire he faithfully served for so long With Lewis out of the way former Paragon Finn Durandal has led a silent coup to wrest control from the king and set himself up as the power behind the throne But Durandal is not the Empire's biggest threat The Terror that Owen Deathstalker prophesied nearly 200 years ago is almost upon them and Owen is supposedly the only one who can save civilization from unspeakable horrors Lewis unwilling to believe that the galaxy's savior is dead sets off to the darkest reaches of the Galaxy to find his lost ancestor Lewis intends to retrace Owen's

footsteps and overturn every possible lead But with Finn in control of the empire's massive forces he is outmanned and outgunned at every turn Lewis must stay one step ahead of Finn's ever expanding reach if he has any hope of discovering Owen's fate Note from Publisher This book was originally published as Book 7 in the Deathstalker series **Deathstalker Coda** Simon R. Green,2016-08-30 Lewis Deathstalker has succeeded at the impossible he's found Owen Deathstalker presumed dead for the last two hundred years Owen's return strikes a crippling blow to the Empire as his military joins the rebellion But Owen himself has a larger mission He and according to prophecy he alone must travel back in time to stop the steadily advancing Terror before the galaxy is destroyed leaving his descendant Lewis in command of the growing rebel army Even as Emperor Finn Durandal's empire is on the brink of annihilation from the Terror he will do anything no matter how evil to retain power Lewis is equally determined to take Finn down and restore the rightful ruler to the throne Note from Publisher This book was originally published as Book 8 in the Deathstalker series **The Mammoth Encyclopedia of Science Fiction** George Mann,2012-03-01 This encyclopedia is the most up to date concise clear and affordable guide to all aspects of science fiction from its background to generic themes and devices from authors established and new to films Science fiction has evolved into one of the most popular cutting edge and exciting fiction genres with a proliferation of modern and classic authors themes and ideas movies TV series and awards Arranged in an A Z format and featuring a comprehensive index and cross referencing system The Mammoth Encyclopedia of Science Fiction is also the most accessible and easy to use encyclopedia of its kind currently available Death Shall Come Simon R. Green,2025-06-26 The New York Times bestselling author continues his otherworldly Ishmael Jones noir mystery series as an ancient mummy foreshadows a macabre murder Death shall come on swift wings to whoever desecrates this tomb So declared the supposed curse laid upon those who opened the tomb of Tutankhamun Ishmael Jones however is concerned with a different Egyptian altogether when he and his lady love Penny are personally tasked by the enigmatic Colonel to attend a very special event at the stately Cardavan House Specifically the exhibition of the sarcophagus of the very first queen in the line of Cleopatra an artifact beyond value The Colonel would like to know just how collector George Cardavan a supposedly trusted associate of the Organization managed to acquire it That investigation quickly turns into something much more insidious when the sarcophagus is found open with no mummy and George's brutally murdered corpse nearby Naturally whispers of deadly curses abound But Ishmael knows the killer is all too real the only question is who A member of the fractious Cardavan family A thief willing to kill for treasure Or is it something else Something far more dangerous Something that can be heard walking in the darkest corridors of Cardavan House searching for its next victim *Deathstalker Rebellion* Simon R. Green,1996-07-01 New York Times bestselling author Simon R Green continues his compelling space opera with the second novel in the Deathstalker series Owen Deathstalker outlawed with a price on his head and the blood of a mighty warrior lineage in his veins had no choice but to embrace a dangerous destiny With nothing to lose only he had the courage to take

up arms against Queen Lionstone XIV Now as he gathers his unlikely allies the legendary washed up hero Jack Random the beautiful pirate Hazel d Arc the original Deathstalker long since presumed dead and the alien Hadenmen whose purposes no human can discern the eyes of the downtrodden are upon him while the freedom of a galaxy hangs in the balance

Deathstalker Destiny Simon R. Green,2016-05-19 Owen Deathstalker has a prophecy to fulfill Just as the espers foretold Owen tumbled an empire and witnessed the end of everything he believed in all that s left to do is die But Owen has a few more scores he d like to settle before his borrowed time is up The Empire is besieged by nanotechnology plagues and AI invasions while mysterious and horrific beings known as the Recreated descend from the Darkvoid But right now Owen s only concern is rescuing Hazel d Ark from the vicious Blood Runners who abducted her He s already lost so much to become the leader and warrior he never wanted to be he ll be damned if he loses Hazel too So one more time Owen Deathstalker will step up and be the hero for Hazel and then for Humanity One more time he ll call upon the gifts of the Deathstalker Clan to fulfill his destiny and face death All while knowing that every one more time could be his last *Deathstalker Destiny* is the fifth book in New York Times bestselling author Simon R Green s beloved space opera series Don t miss the next chapter of the Deathstalker universe in *Deathstalker Legacy*

Deathstalker Legacy Simon R. Green,2016-08-02 A golden age doesn t last forever Owen Deathstalker sacrificed everything to topple a corrupt empire and usher humanity into an age of peace and prosperity Now Lewis Deathstalker Owen s descendant carries on the family name and honor as a Paragon warriors famed for their skill and heroism who dispense the king s justice throughout the galaxy However two hundred years have passed since Owen and his gang of heroes disappeared into legend and the peace that the Deathstalker bought with his life is quickly coming to an end Amidst political uncertainty Lewis s oldest friend Douglas ascends the throne and names Lewis to the archaic and largely symbolic role of King s Champion But Lewis quickly finds that he has all the bad luck of his famous ancestor and that his old allies have become his enemies Surrounded on all sides by plots and treason with the political situation spiralling out of control Lewis is exiled from court in disgrace Now it s the new Deathstalker s turn to save the empire with only a ragged band of allies as chaos spreads throughout the empire and threatens to end the golden age Note from Publisher This book was originally published as Book 6 in the Deathstalker series

Into the Thinnest of Air Simon R. Green,2025-06-26 The New York Times bestselling author continues his genre bending Ishmael Jones noir mystery series in a tale of missing persons and murder For otherworldly investigator Ishmael Jones a chance to get away to the relaxing countryside doesn t come along every day or ever actually His paramour Penny is taking him to the grand reopening of the historic Cornwall inn known as Tyrone s Castle a place with a long dark history of smugglers murderers and sinister spirits What could go wrong A great deal as it turns out It begins after a cordial dinner with the other guests when one of the hosts disappears without a trace before she can even finish her dessert As fear and suspicion begin to infiltrate the inn another person vanishes and it seems as if the inn s dark history has awakened to claim a new slew of victims Ishmael doesn t believe

there's anything supernatural or ghostly behind the night's events. And the more he learns the more he's certain that the key to solving the mystery lies not in the past but the present. Unfortunately, he has no bodies, no clues, no witnesses, no evidence of any chicanery whatsoever. But for a man like Ishmael that just makes things a little more interesting. *Deathstalker War* Simon R. Green, 2016-05-16. Owen Deathstalker doesn't trust anyone, even his companions, especially his companions. But for the diplomatic mission to Mistworld, he'll have to try. Representing the Golgotha underground, Owen hopes to bring the planet into the rebellion; their powerful psychic espers would be an invaluable asset. But that's not Owen's only reason for visiting Mistworld. In fact, everyone aboard the Sunstrider II has a secret agenda. While Owen looks for an information-gathering network that his father set up all too perfect, Jack Random seeks out former allies, volatile esper Jenny Psycho searches for information about her power, and ex-pirate Hazel d'Ark pursues an old vice. Of course, success won't be easy, and there's little time to spare. The Empire's recent esper attack already left Mistworld physically and politically exposed. Playing host to the leaders of the rebellion only makes the planet a juicier target, and this time the Empress will deploy her most ruthless weapon to crush Owen Deathstalker and the uprising once and for all. *Deathstalker War* is the third book in New York Times bestselling author Simon R. Green's beloved space opera series. *Drinking Midnight Wine* Simon R. Green, 2014-07-28. There is a world beyond the world. It figures. Just when Bradfordian bookshop clerk Toby Dexter finally works up the nerve to talk to his secret crush, she darts into an open door. Toby follows, and in that second, everything changes. Though it still looks like Bradford-on-Avon, the town's suddenly chatty, ATM, and river mermaids are the first clues that something is quite out of place, namely Toby. The moment he stepped through that door, Toby entered the magical parallel world of Mysterie. Our ordinary dimension, the one Toby knew as Bradford-on-Avon, is actually Veritie, a mere shadow of its alter ego, Mysterie, where magic and myth, gods and monsters, living legends and walking nightmares reign. And Toby isn't the only recent arrival. A cunning and vicious demon, The Serpent's Son, has returned to Mysterie, accompanied by a malevolent new ally intent on bringing down both dimensions. Toby can remain mortal, return to Veritie, and try to convince himself that he had a bad pint of bitter that night. Or he can stay in Mysterie, join forces with his new friends Leo Morn and his Brother Under the Hill, and try to stop The Serpent's Son. The choices Toby makes will have dramatic consequences for both worlds. It may not be the first time Mysterie's wars have spilled over into our reality, but if Toby fails, it could be the last. Simon R. Green, New York Times bestselling author of the *Deathstalker* series and the *Nightside* series, brings his trademark wit and inventiveness to his beloved hometown of Bradford-on-Avon in this charming standalone urban fantasy novel. *Sequels* Janet G. Husband, Jonathan F. Husband, 2009. A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series. *Deathstalker Rebellion* Simon R. Green, 1996. In the sequel to *Deathstalker*, outlaw Owen Deathstalker and his band of washed-up warriors, pirates, and aliens battle the tyrannical Queen Lionstone XIV to preserve the galaxy's freedom. Reissue. *Deathstalker Legacy* Simon R. Green, 2004-05-20. It has been two

hundred years since Owen Deathstalker fell dying to save the Empire and all Humanity Now it is a Golden Age for all for men for aliens and for the AIs of Shub But one evil man has determined to bring it all crashing down and now the Terror has finally arrived threatening them all with extinction The old heroes have become legends and the cry goes out for new heroes It s time for the latest Deathstalker Lewis to do his bit Unfortunately he and his companions a diva a conman a homicidal psychopath and a reptiloid have been outlawed and declared traitors Deathstalker luck Always bad Unless Lewis Deathstalker can defy the odds to get to the Madness Maze and tread the same dangerous path to glory that his ancestor did the Golden Age is about to be wiped out for ever Together with Humanity **Books Out Loud** ,2007 Encyclopedia of Film Themes, Settings and Series Richard B. Armstrong,Mary Willems Armstrong,2015-07-11 The first editon was called the most valuable film reference in several years by Library Journal The new edition published in hardcover in 2001 includes more than 670 entries The current work is a paperback reprint of that edition Each entry contains a mini essay that defines the topic followed by a chronological list of representative films From the Abominable Snowman to Zorro this encyclopedia provides film scholars and fans with an easy to use reference for researching film themes or tracking down obscure movies on subjects such as suspended animation viral epidemics robots submarines reincarnation ventriloquists and the Olympics Excellent said Cult Movies The volume also contains an extensive list of film characters and series including B movie detectives Western heroes made for television film series and foreign film heroes and villains **Movie Mayhem** Franklin W. Dixon,2012-01-03 The Hardy Boys Deathstalker Trilogy comes to a riveting conclusion Frank and Joe Hardy have been posing as extras on the set of the upcoming teen movie Deathstalker The star an ingenue named Anya has already had her trailer burn down and the Undercover Brothers had their work cut out for them keeping her safe at a comic book convention But though the threats haven t stopped the filming has begun and enough is enough It s time to get to the bottom of who s behind all the movie mayhem and the Undercover Brothers will do just that in the conclusion to this thrilling trilogy
